THORNTON TOWNSHIP HIGH SCHOOL AND **THE**

The New Wing is Thornton's answer to the classroom congestion problem. A low, two-story, modern building of classrooms and offices, it extends along the west front of the campus and connects with closed-in ramps to the older buildings.

The tile roof of the original TTHS building, topping the three-story structure in the center, shows above the new classrooms, as a reminder of all the Thornton traditions and of all that Thornton means to its alumni.

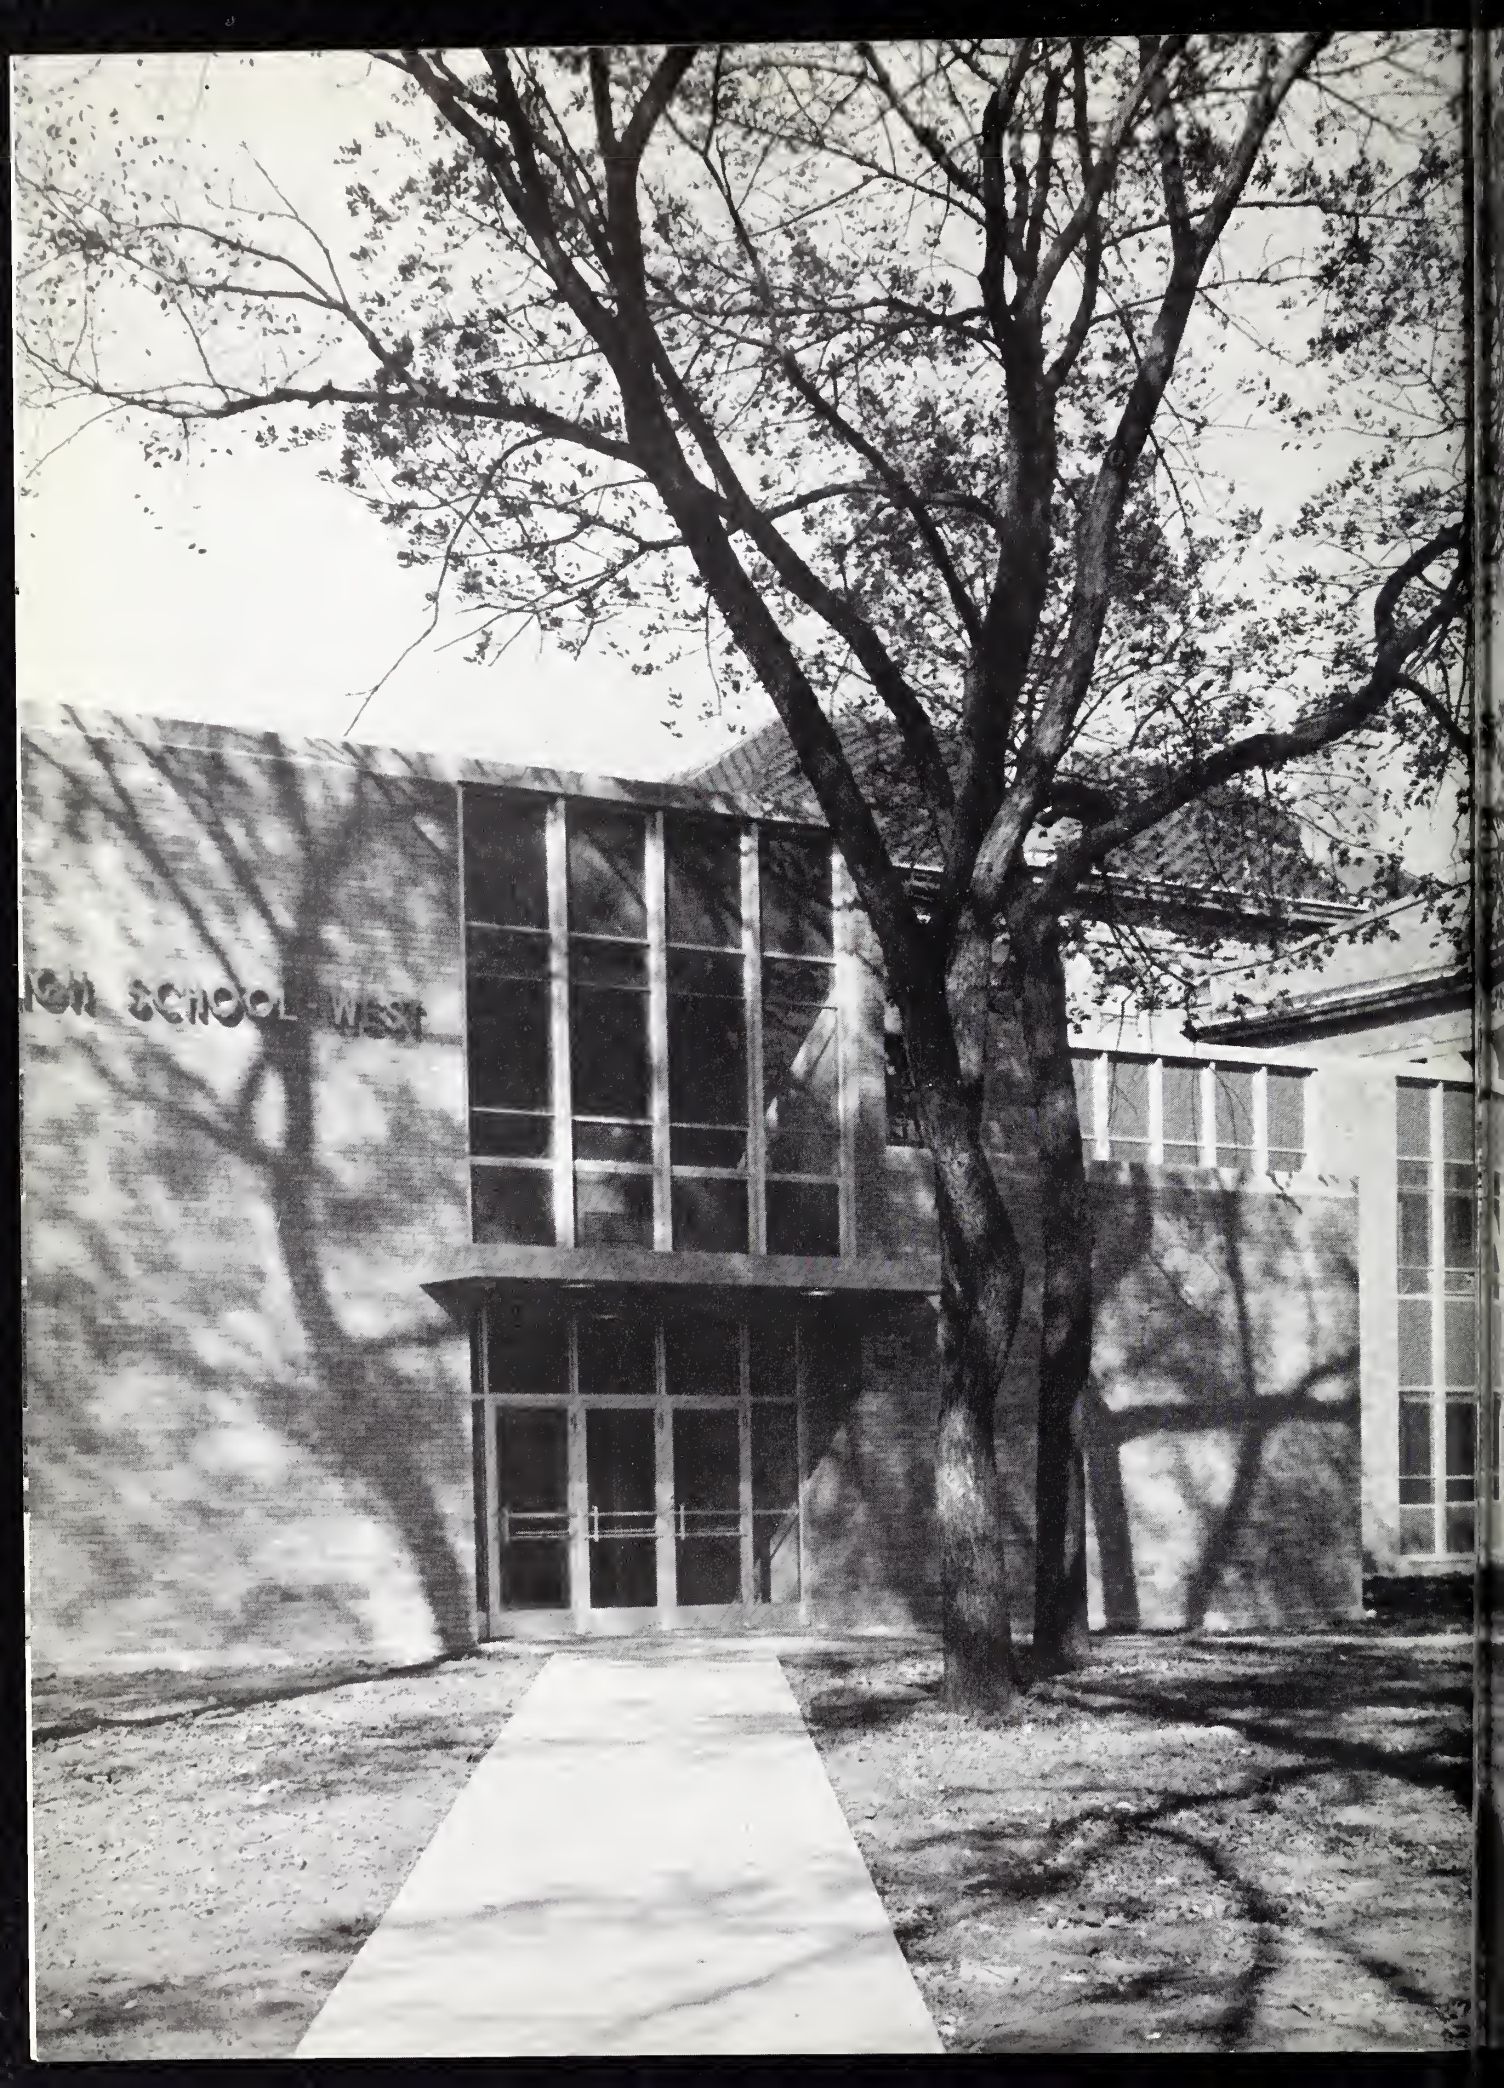

Gone are the tree-shaded campus and the T-bench, but in their place is this symbol of Thornton's growth, proof positive that the old order changes, giving place to the new.

It's like coming out of a dark tunnel
into the light to go from old corridors
into new ones. The atmosphere is full of
excited chatter and bustling movement.
No more bumping everyone who comes along!
No more center posts to hit when someone shoves!
All that room is real luxury to TTHS.
New halls have decongested traffic in main
corridors and opened new routes to old ones.

Social Studies and

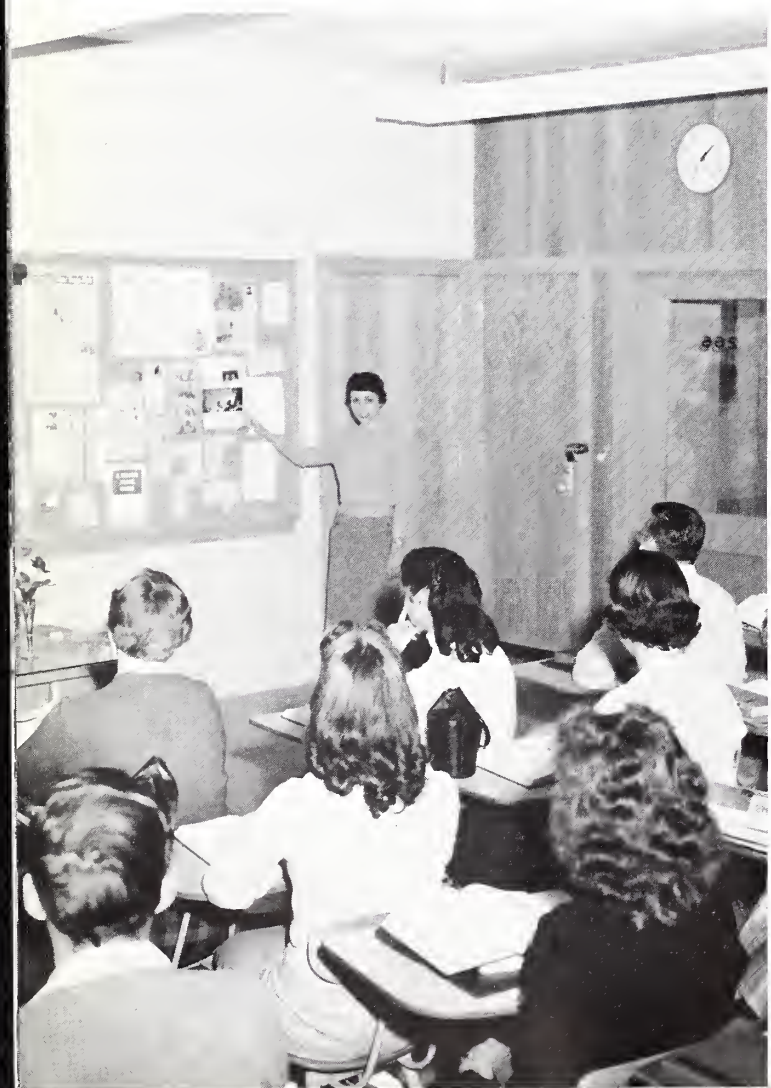

Plane Geometry—Nancy Forest, John Kwasny at the board.

History class—Nancy Bush gives her talk.

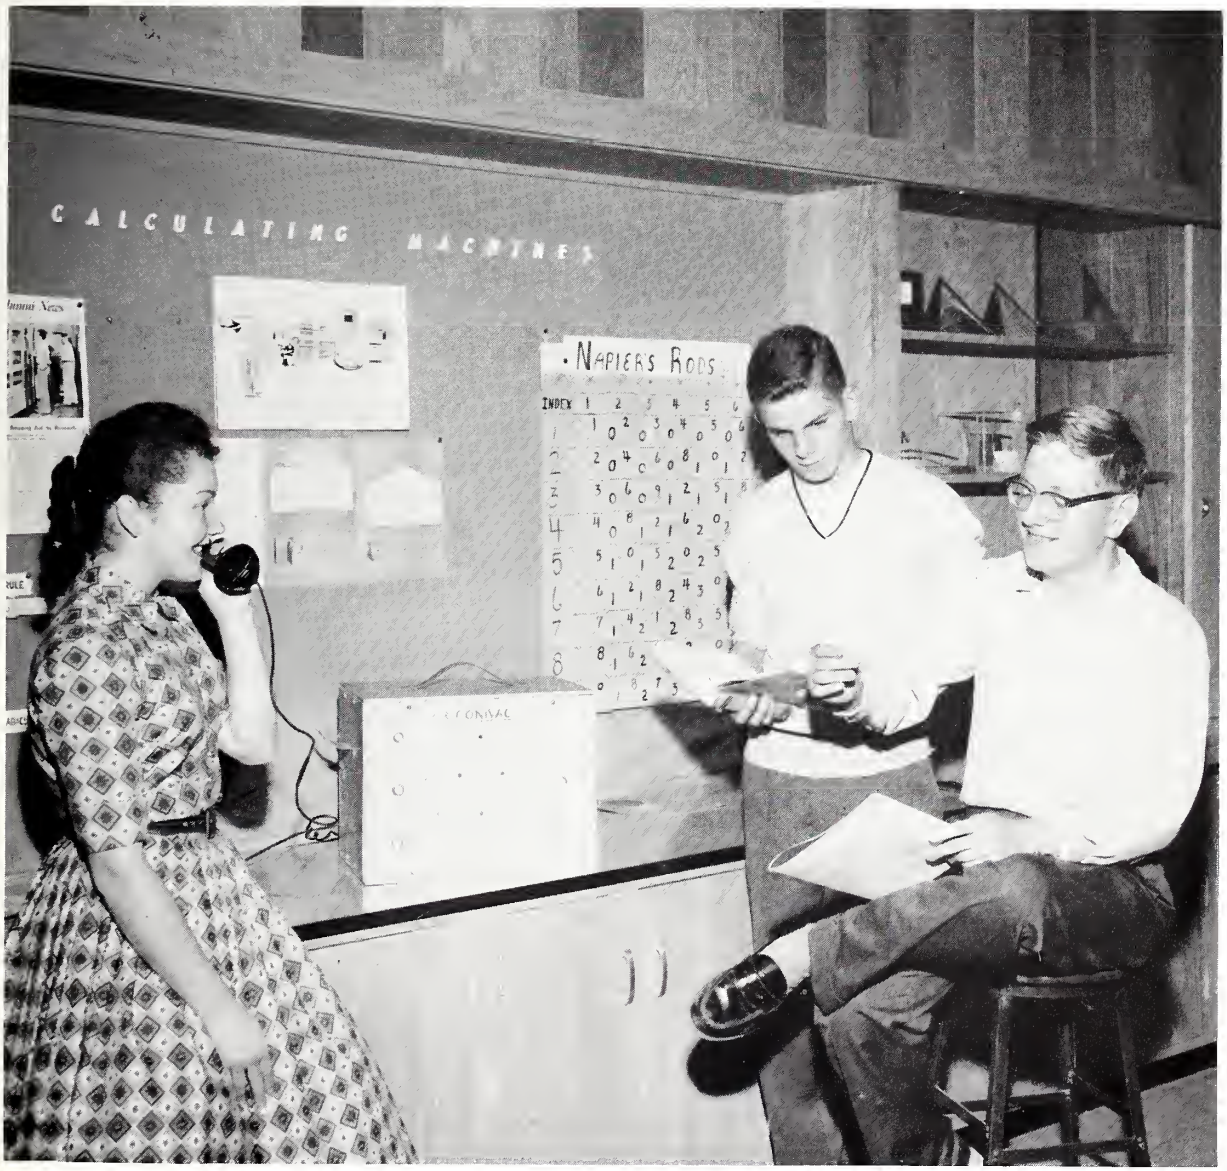

Advanced Algebra—Nancy Allen, Brian Baumruk, Dennis Marshall explore uses of the Binary number system with the aid of Dennis's electronic brain, Goonivac. ▶

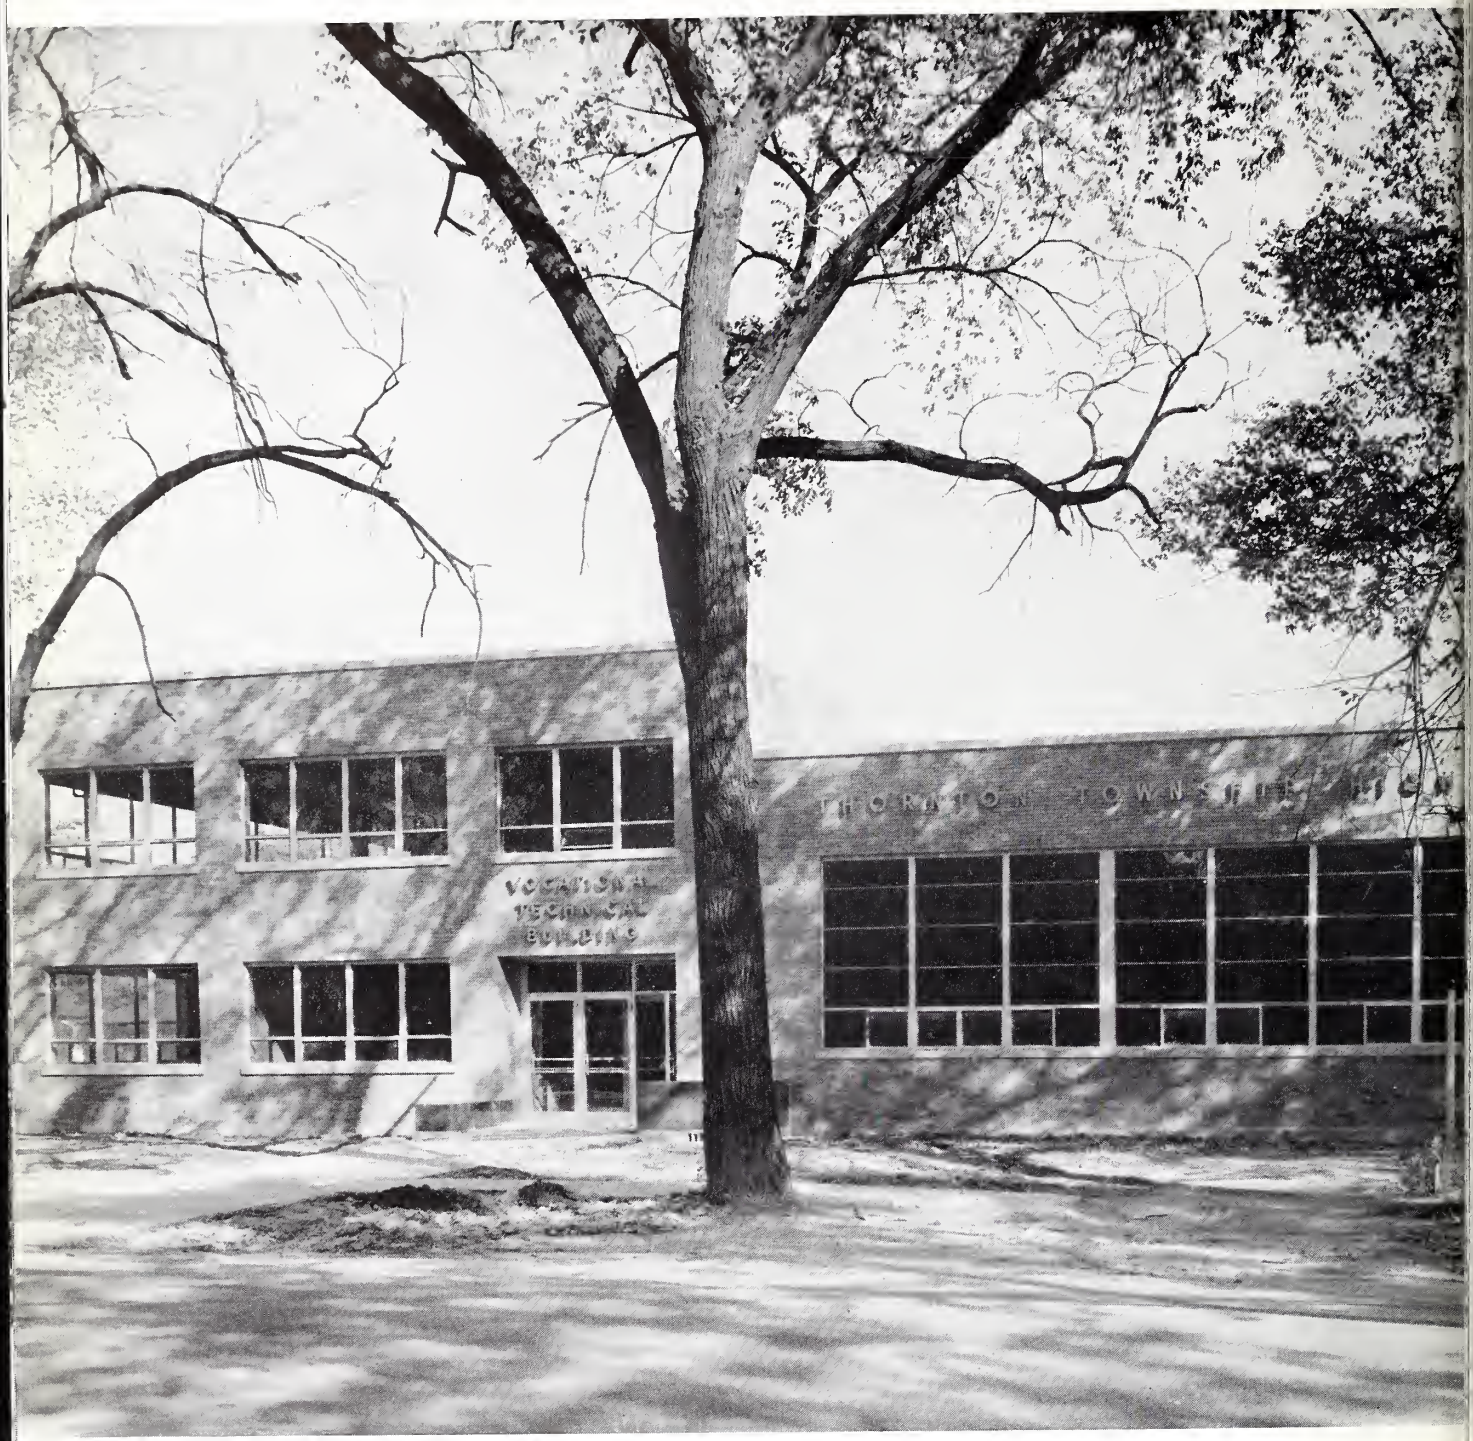

Social Studies—Flora Gaskin uses the bulletin board.

Mathematics rated the new classrooms.

Geography, sociology, psychology, trig, algebra, geometry—new classrooms made studying these subjects a pleasure. Light woodwork, warm colors, gay drapes were a terrific contrast to old classrooms. Conference rooms were ideal for project planning.

Somebody said, "How about that new

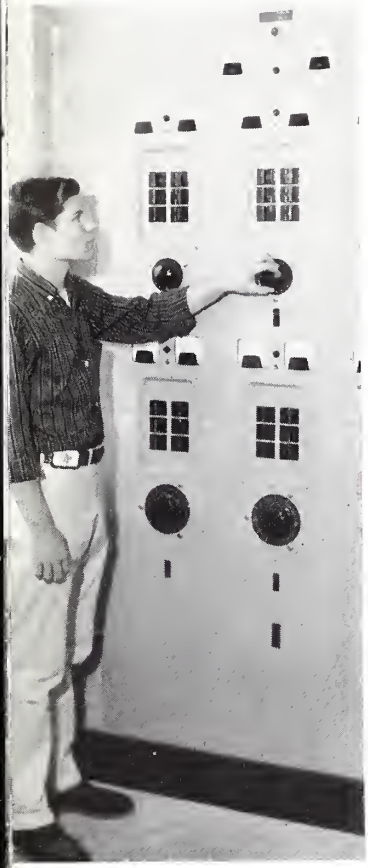

Industrial building?"

Industrial Arts Building with its new classrooms, modern machinery, and handy tool racks brought yells of delight from boys at Thornton.

Thornton girls, too, noticed the beauty and efficiency of the new building and began to wonder what courses they might take over there.

"Man, this is really neat!" we said.

Bart Cornwell operates the control panel in electric shop.

Ed McLean adds to the exhibit in Industrial Arts lobby.

"Let's sign up!"

Just touring Industrial Arts shops can be educational and very interesting. There are wood shops with boys making summer furniture, hi-fi sets, bookcases, and chairs; or graphic arts shops with type-setting cabinets and presses.

Automobiles and engines under study in auto shops are good courses for both boys and girls. Each shop has its own office and its wash-up facilities for boys after greasy jobs. Large windows let in plenty of light to make work easier.

Two floors of shops and classrooms are now available to mechanically minded boys. Originally these shops were all crowded into the northeast corner, first floor, of the main building.

Corridors in the shop building are not dreary and dark, but bright and welcoming. In years to come, girls, too, will sign up for courses in woods, electricity, metals, and auto-mechanics.

Don Schroeder uses a drafting machine on one of the new auto-shift tables.

The Administration offices, located at the south end of the new wing, are really the heart of all Thornton activities.

Superintendent's secretary—Miss Dora Harthun.

Business secretaries—Mrs. Alberta Burkhart, Miss Harriet Burton.

In the main office are the telephone switchboard and teachers' mailboxes. Sorting mail and mimeographing daily announcements and absentee lists are among the staffs jobs. So are correspondence and record-keeping.

Opposite are the class principals' offices with big reception room, the testing office, and the office of the visiting counselor. All sorts of problems are solved here.

Mathematics puzzles—Edward Swanson, Bob Turek, Gerrie Walczak find they are not so easy.

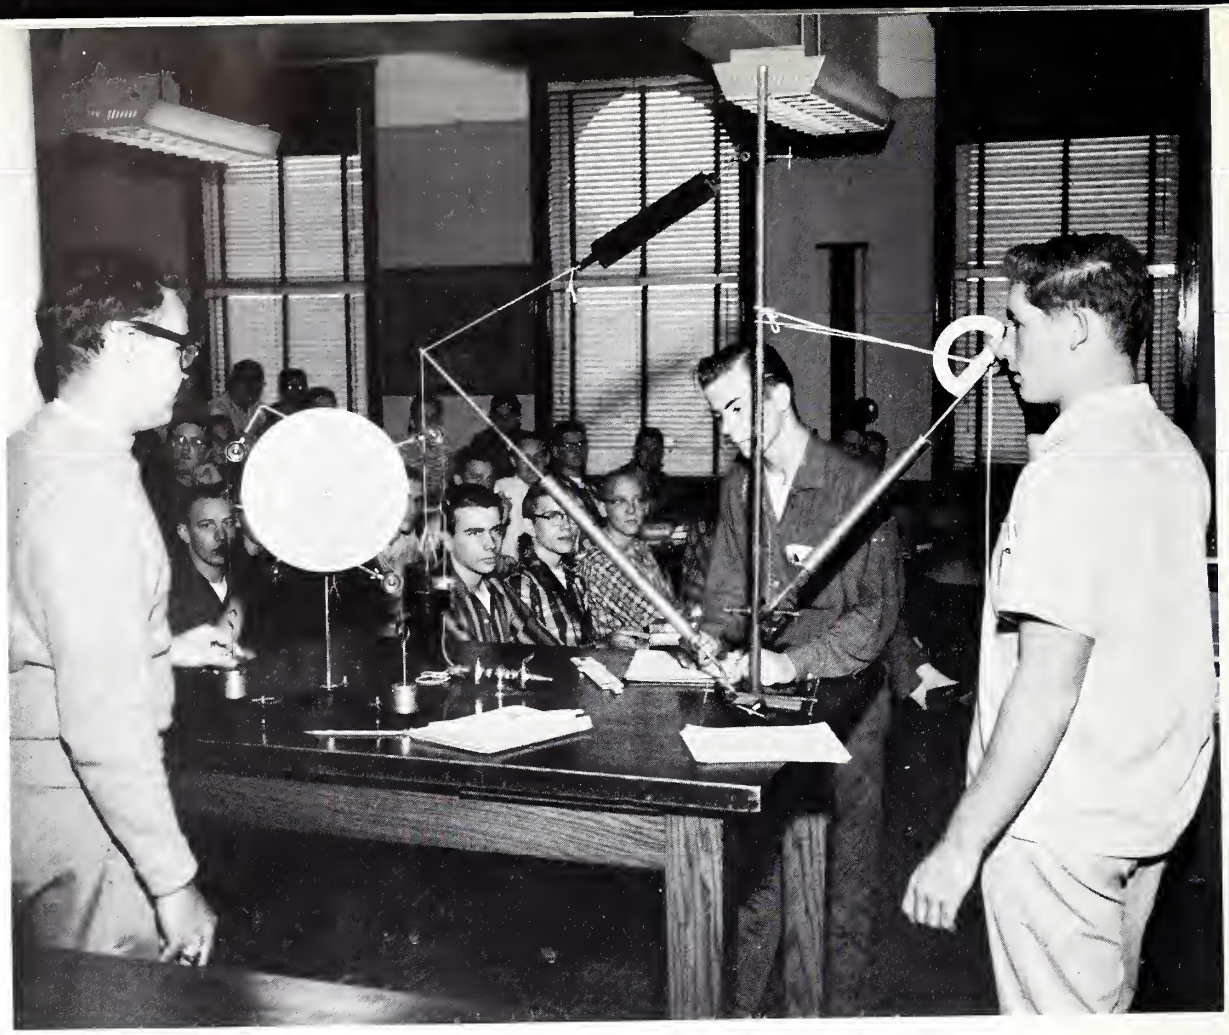

Math problems are sometimes fun.

Using an abacus—William Sieczkowski and Don Wagner show Beverly Triezenberg how it's done.

New furniture, new equipment made math classes more attractive. Bulletin boards and display cases have aroused much interest. Ever try to solve a hexahexaflexagram? or a tetraflexagon? Maybe using an abacus is more your speed! Anyway, mathematics classes can offer all sorts of problems.

Physics, Chemistry rated high.

Ed Melko, with a wheel, shows conservation of energy

In this day and age the word "physics" is popular. Likewise, at Thornton, it is an important word, for TTHS is following the national trend in science teaching.

One class, composed mainly of students planning a scientific career, took a difficult course on a quasi-college level. They were given special attention and quite advanced work.

A Geiger counter and an optical light source were among the pieces of new equipment added this year. Students had a chance to use them and make conclusions from their laboratory experiments.

Chemistry is an active department at Thornton. The chemistry faculty, to further a club organized for all students interested in science, is sponsoring a special section in advanced chemistry. Club members meet every two weeks and work on individual projects of their own choice.

A dynamic atomic model, which shows the parts of an atom in motion, and some electroplating apparatus were added to the equipment this year.

Using filtration equipment—Jaan Walther, John McConnell, Glenn De Graff.

Making distilled water—Barbara Van Dam.

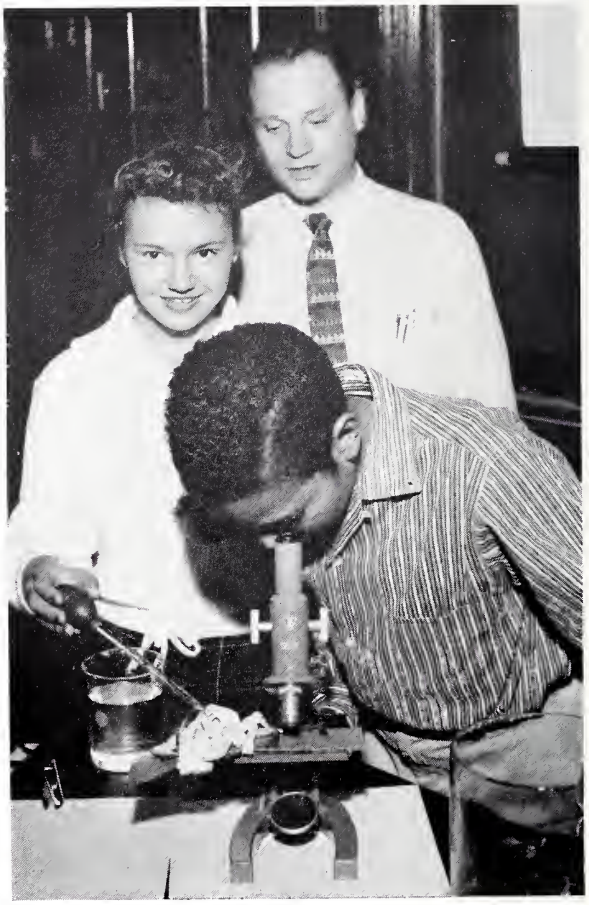

Evaporation experiment—Tom McCaslin, Susan Blessing, Peter Berg.

Biology, Science open amazing worlds.

Sophomore Biology—Dennis Ford holds garter snake as Mr. Cameron, Gerrie Walczak watch it wiggle.

General Science—Winston Bauman uses the microscope on a live frog as Karen Johnson holds and Mr. Bratton watches.

A study of stems—Ted Czech, Jr., demonstrates to Janet Stump and to the rest of his biology class.

Both General Science and Biology introduced special courses for freshmen this year. There were two sections of freshman biology as well as two of physical science. Biology students worked on individual projects for the Illinois Junior Academy of Science. Classes in both sciences produced exhibits for the all-school open house. Freshmen had a science club too.

Social Studies office—Mr. Satterthwaite, Mr. Don Wilson, Mr. Stejskal.

Social Studies Department took on a new look as it moved into its eleven class rooms in the new wing. A large, comfortable office was given the department plus five conference rooms in which teachers could meet each other to solve department problems or could supervise student discussion groups planning some project. Each teacher made his classes responsible for keeping displays of general interest in the new hall cases.

Social Studies liked their new facilities.

Geography class—John Arnold at the map; Mr. Petty at the podium.

Panel making a class seating chart—Nancy Jack, Don Adams, Janet Kaleta at the table; Don Courtney at the board.

Discussion groups often met in Mr. Stegmeier's conference room.

Foreign languages

Making a recording in Spanish—Patty Collins, Chuck Edelhofer, Lohn Langhoff, Sharon Gaulager.

Die Hypnosis—Richard Spenser, Ruth Schultz.

Spanish students went to Northwestern University for a dance and a Pan-American program. Jane Kelly's father showed slides of his trip to Chile. A new record player was added.

German class activities ranged from slides of a Volkswagen factory in Wolfsburg, Germany, to a poster contest for proverbs. TTHS students carried on correspondence with German students.

are now more popular than ever.

Latin class—Diane Rosolowski, drawing; Joanne Biesieda, lettering.

French puppet theatre—Ruth Dilts and James Carter look at Pierre and his house, a favorite show.

Latin students had new classrooms, new third year course, and many fine tours. On Latin Day in April, classes visited the Art Institute, Adler Planetarium, and Museum of Natural History to observe items of interest. In March, six boys and girls entered the district contest.

French classes found much enjoyment in films and slides, recordings of French music, and maps of the climate, culture, production, and history of France—the language and country. Besides making original scrapbooks, students gave puppet shows to improve their oral recitations.

Julius Caesar in English class—John Knight, Doug Diggle, Jim Shawl, Steve Twining, Joan Pavelin, Merry Ring, standing, and Jack Hurley (Caesar), theoretically dead.

Reading, writing, and acting in English.

English department this year placed increased emphasis upon speech activities. In connection with this program, Mr. Zechel organized a short version of the play "Julius Caesar" for the state speech contest. Mr. Beeson directed "Teahouse of the August Moon" for the senior class, and Mr. Schuermann directed both the Boys and Girls Club play, "Our Hearts Were Young and Gay," and "Thornton Follies."

Three hundred ninety-four pieces of art work entered in a contest make a big showing! That's what Thornton's art department did this year for the regional contest of National Scholastic Arts Awards. Advanced drawing and painting class specialized in sculptures in stone, wood, metal, and plaster. Everyone enjoyed the exhibits.

Ceramics—Iva Rodgers, Tom Drefhall, Mike Kroll (at potter's wheel).

Sculptures in plastic foam—Charles Krikau, Ruth Poindexter.

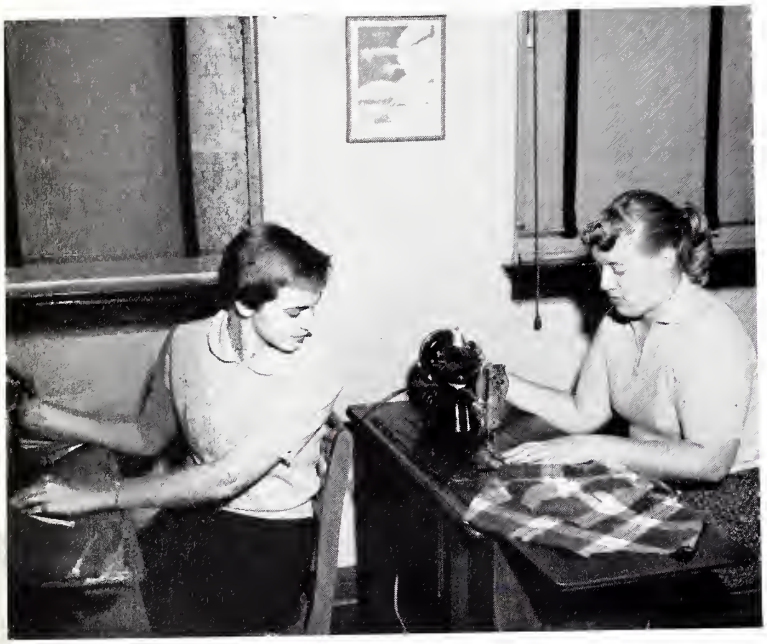

Silk screening—Joanne Rubinic, cutting stencil; Stan Hunter, David Deverick, Bob Parr, applying paint.

Patty Bauman acts as model for Wanda Anker.

Jewelry—Judy Rosenbaum, soldering; Bruce Allen, Doug Carmichael helping her complete the project.

Clothing class—Martha Hillman, Patricia Peetz.

Foods—Susan De Boer, holding jelly glass; Lydia Chase heating parafin; Dorothy Graves, stirring jelly; Geneva Trussell, studying. In the air—fragrance of grapes.

Home Economics for future homemakers.

Reorganization of Future Homemakers of America, including affiliation with the state and national organizations, cooperation with Dr. Hanson on curriculum study, plus making plans for selection of equipment for the new school kept home economics teachers on the run most of the year.

Clothing class—Carol Finchum, Paula Eilers, Diane Goebel.

Business students have good training.

Dee Frederick operates the mimeograph machine.

Mr. Wessel checks problems with a bookkeeping class.

Miss Sundstrom helps Carol Koby with shorthand.

Thornton Business Department trains students to enter the business world with enthusiasm as well as confidence.

Typing, shorthand, bookkeeping, secretarial practice and practice on business machines are some of the courses offered in the department.

Senior students majoring in business are given assignments to work for faculty members. These students type, take dictation, and file. They get not only practice, but experience in working with and for other people.

Practice, practice, and more practice is the constant reminder from the seventeen members of the department faculty. They urge students to get the most out of their years in school. Units in grooming and in proper dress for office wear are included in the course.

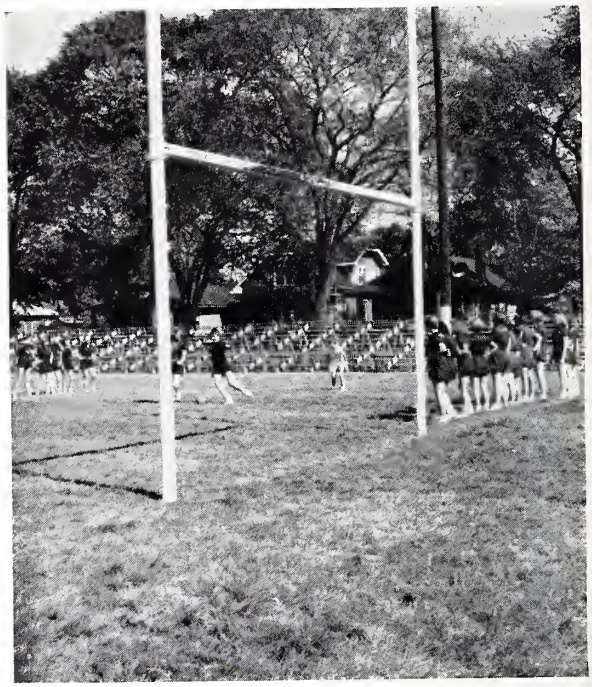

Much new and needed equipment has been added to some of the business training classrooms. An Ediphone transcriber, IBM electric typewriter, electric ditto duplicator, Royal electric typewriters, and one room of standard typewriters were among recent department purchases.

Mrs. Wessel's typing class takes a speed test.

Girls P.E. courses offer variety.

Thornton's Girls P.E. Department does an excellent job of keeping girls in good physical condition. The program teaches them the basic principles of exercise and good health and also offers them a variety of courses. Freshmen engage in sports, swimming, dancing, health, and tumbling. Sophomores and juniors are given a choice of swimming, rhythms, or team sports. Seniors take archery, tennis, ping pong, shuffleboard, badminton, volleyball, and first aid.

A soccer game in full tilt on the main football field.

Pony tails swing when a square dance number gets going.

P.E. program also includes a modified course, all four years, for girls who cannot participate in vigorous activity.

Alternate years the department puts on a swim show. It involves much preparation and planning from everyone concerned. This year was not the one for the show, however.

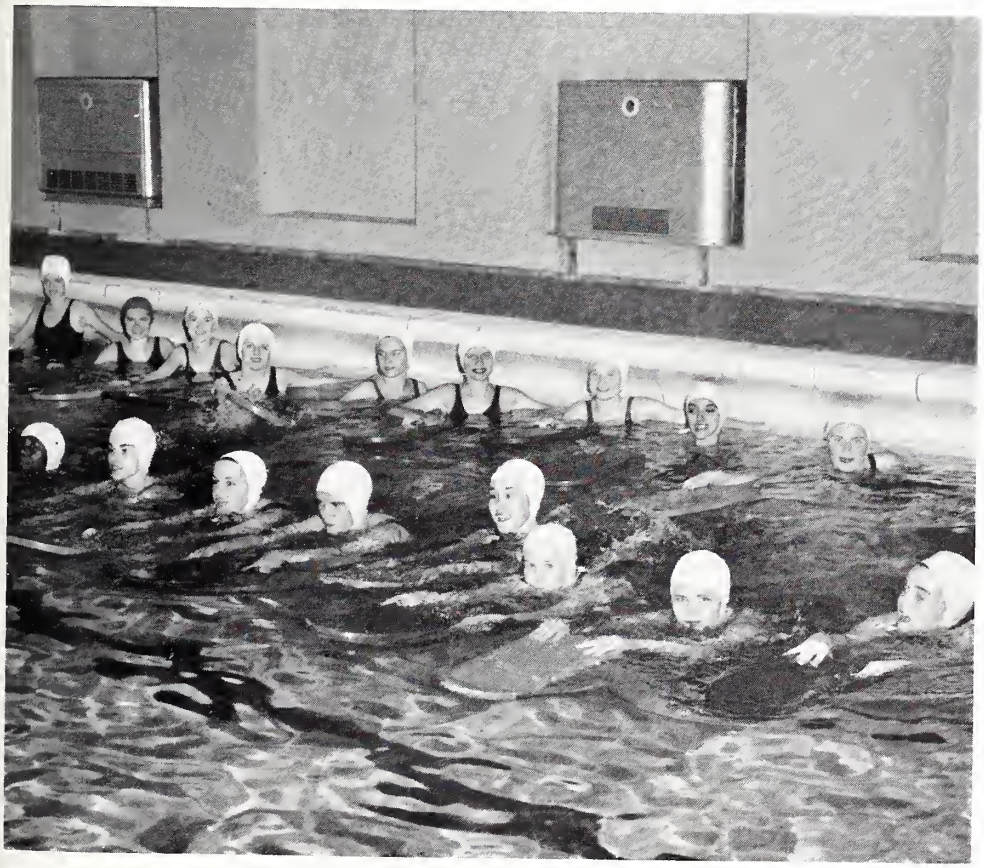

A modern dance group was organized this year under the leadership of Miss Andrews. After learning and practicing the numerous routines in modern dance girls put on a modern dance exhibit in the spring. They plan to put on future programs to alternate with the swim shows.

Girls P.E. Department is scattered all over the school. Classes use the girls gym on the second floor, the stage of the new gym, the fieldhouse, and the girls pool. The faculty numbers eleven members, largest in its history.

Drop kick teams ready themselves on the girls field south of the building.

Paddleboards in front of them, a swim class is ready to shove off.

Trampoline practice—Al Krass demonstrates to his classmates.

Parallel bars—Butch Kaminski does a handstand. Ron De Vallee, Ron Brand, Jack Doll, Tom Crew watch.

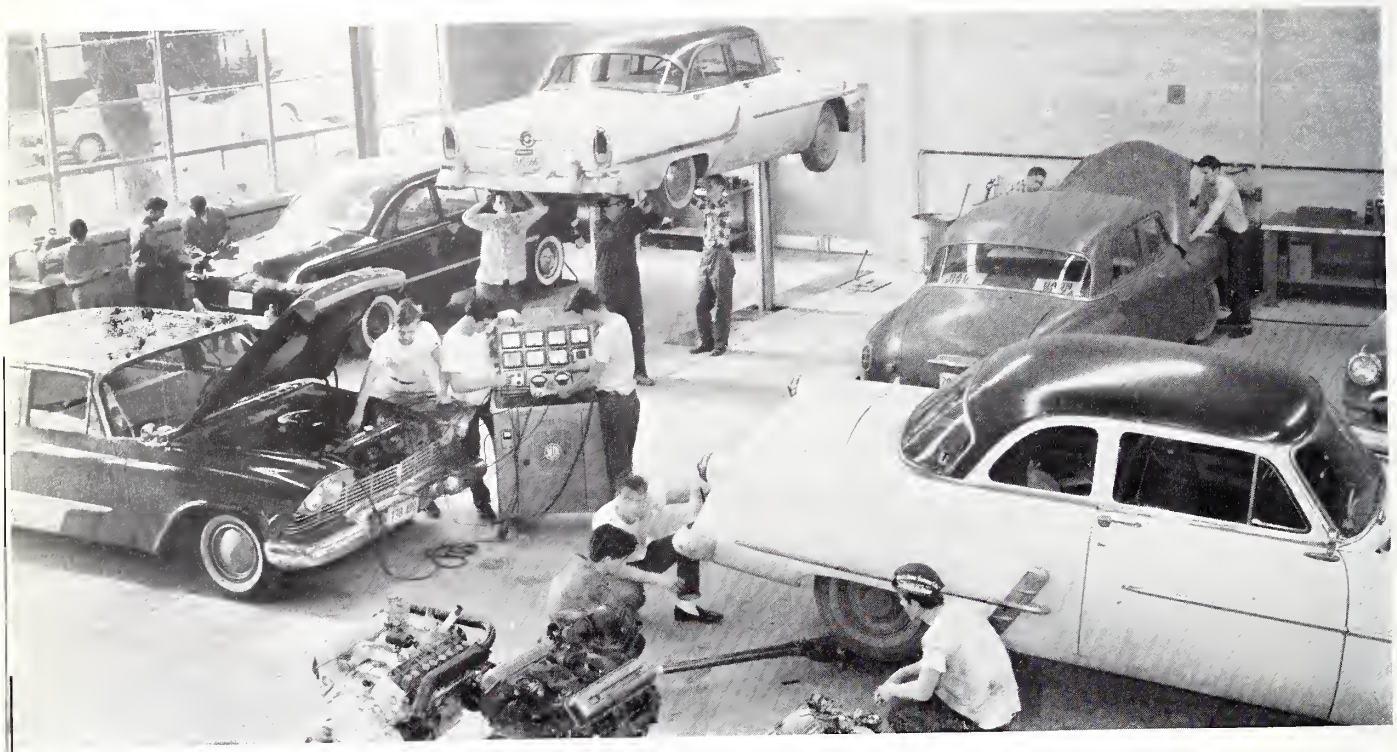

Survival swimming—Mr. Froschauer gives instructions to the class in what to do next.

Boys Physical Education Department offers many courses to keep Thorntonites in top physical shape. The newly-organized gymnastics club excels in tumbling and weight lifting as well as on parallel bars, trampoline, and high bars. On occasion, the team performed at basketball halftime intermissions.

Boys P.E. develops muscles, dexterity.

Bombardment is a game that requires eyes in the back of the players' heads!

Vocational auto shop had plenty of customers.

Shop classes enjoyed roomy quarters.

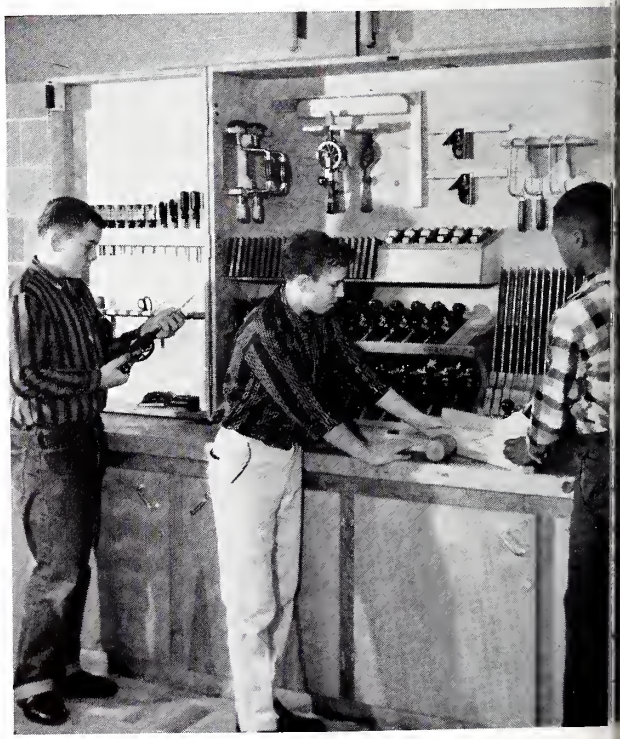

Big project this time in the Industrial Education department was the move to a brand new building with all kinds of impressive equipment. Setting-up in seven new shops and three drafting rooms required real organization.

Auto-shift drafting tables, like those used in industry, were the pride and joy of the mechanical drawing section. A car-lift like that in a modern garage and new engines in stands gave to auto mechanics practical work situations.

New courses in graphic arts, advanced woodshop, and electricity were offered besides those in general woodshop, vocational drafting, and general metals.

Classrooms and conference rooms are located throughout the new building. A visual aids center and a special Diversified Occupations office are features possible with expanded facilities.

it's FUN

Have you ever wondered how the Freshman Stand-up got its name? Well, it's simple—there just wasn't enough room to sit down until the new gym came along and by then the name was traditional.

"If Dreams Came True" was the theme of this year's party. Every fall, freshman girls look forward to the first big party, given in their honor. In the summer, plans were started and rehearsals were scheduled to insure success.

The traditional handshake starts the ball to rolling. Miss Wilson, dean of girls, and the major officers head the line which soon grows almost too big for the gym. The handshaking ceremony enables girls to get better acquainted.

Highlight of the program is always the crowning of the queen, followed by speeches from representatives of each class.

One of the most enjoyable features of the Stand-up each year is the presentation of hilarious stunts by freshman, sophomore, and junior classes. Then the seniors add their touch with the traditional style show. This year girls modeled clothes they would like to wear "if their dreams came true."

Big moment for the freshman girls came when they were summoned to gather around the queen. As each girl passed by the throne, a page handed her a favor.

The party came to a close with the serving of refreshments to girls and their guests. Lemonade and donuts tasted good at five-thirty in the after noon for this was an after-school party.

Biggest event

1959 Royalty—Paul Jackson, king; Ellen Mayfield, queen.

Homecoming dance theme was centered around the days of King Arthur's round table and his knights. Decorations portrayed this theme by picturing a knight in silver armor, a dragon, and a bubbling fountain.

In accordance with tradition, the Homecoming court was chosen by the senior class and the king and queen were selected by vote of those who attended the Homecoming dance. The newly-elected king and queen, Ellen Mayfield and Paul Jackson, were crowned by last year's royalty, Ed Radtke and Sandy Smith. The court was then entertained by a ballet dance in their honor, performed by Barbara Berner.

Highlight of the ceremony was the dance by the king and queen as everyone looked on.

When knights were bold—Jack Reitz, Sue Finnell, Warren Coleman, Karen Drefhall, Ken McConnaughay, Kathy Faoro.

Homecoming weekend was a series of big events which reached their climax in the Saturday night dress-up dance. A pep assembly and parade preceded the Friday night victory over Leyden and an open house followed the game. Then came the dance—for alumni as well as TTHS students.

Weather for the events was not of the best—too gloomy—but students and faculty alike turned out to see the parade and to yell at the pep assembly, held outdoors on the football bleachers. Announcement of the Homecoming court and stunts predicting death to the opponent are traditional features of the assembly.

The parade following the assembly was the first in several years and a lot of work to prepare, but everyone agreed it was worth the effort. Prizes were given to the best-looking floats and marching units and spectators were happy.

Wacky Adventures

"Our Hearts Were Young and Gay," a comedy by Jean Kerr, based on the novel by Cornelia Otis Skinner and Emily Kimbrough, was put on by the Boys and Girls Clubs, November 13 and 15.

Two girls, alone on a ship to Europe, provide hilarious moments for their fellow passengers. A bout with the measles, quarantines, and a mixup over shoes and a deck chair complicate matters.

The audience responded to the production with enthusiasm. In spite of very cold weather there was a full house both nights.

KIP dance was truly "Yuletide Magic."

Music by Johnny Lewis greeted dancers to wintry cheerfulness and "Yuletide Magic," at KIP Midwinter Dance, December 27. An eight-foot tall, glittering Christmas tree decorated the center of the dance floor. More than three hundred happy couples attended the gala affair.

A complete turnabout weekend accompanied the Girls Club dance in February. On February 27-28 fellows around Thornton received the Royal Treatment. In buses on the way to and from school, girls gave up their seats for His Highness. At school, girls walked fellows to classes, carried books for them, opened doors for them, and helped them with coats. At the PX dance Friday night, gals asked boys for dances. Incidentally, more people danced at this PX than any other.

Then came Saturday night. Music was by Alan DeWitt and his orchestra. Theme of the dance was "La Vie en Rose" (Life in the Pink). Decorations included soft pink lights and a French cafe scene. Oh, what a perfect weekend!

Dance entertainers—Jim Dondelinger, Dale Teeter.

Formals rustling, girls running back and forth, and Moms excited and nervous. All this was taking place the night of the Mother-Daughter banquet on May 3, 1958. "Younger than Spring Time" was the theme of last year's party. Entertainment included a fashion show.

What was the highlight of the evening? Nothing less than the crowning of the queen. How is a girl chosen to be on the May Queen court? Nominations are made from and by Junior girls. Final elections for queen and maid-of-honor are made by all girls. Results are kept secret until the banquet. Ellen Mayfield was crowned 1958 queen; Sandy Asher was the maid-of-honor.

Tempting roast beef, creamy mashed potatoes, golden corn, delectable jello salad, and luscious apple slices. Does this sound familiar? It does to the approximately 575 dads and gals who attended the Dad-Daughter banquet, December 13.

After dinner in the cafeteria, the party moved to the auditorium for the stage show. Both girls and their dads took part. Skits, dancing, and singing all followed the theme of the party, "Father Knows Best."

Miss Helene Wilson, dean of girls, and several club members made speeches, climaxed by the response from a faculty dad, Mr. Fred Ring.

The show was MC'd by Janet Kipley and dad.

Loyalty Day is a Girls Club tradition. Each year club members pledge loyalty to the group and honor Miss Gordon, founder of the organization. Major officers and class representatives conduct a candle-lighting ceremony.

Scholarship Day comes twice a year. Girls receiving one semester or more of "A" are honored. Names of those girls with seven semesters of "A" are engraved on a silver pitcher.

"Thornton Follies," annual variety show, created a real sensation with a bigger crowd and more applause than ever before.

A capacity crowd of 2500, a standing-room only situation, came to enjoy the twenty-seven acts of dancing, singing, and comedy. Highlights were the faculty number "Boy Meets Girl" and the "South Pacific" medley of songs.

Bongo drums, rock 'n' roll, tap dancing, even roller-skating, were on the program produced on the gym floor before a back-drop of multi-colored diamond-shaped pieces. The Thorntoneers played the continuity music as well as a number of their own. Alvin and his harmonica got there.

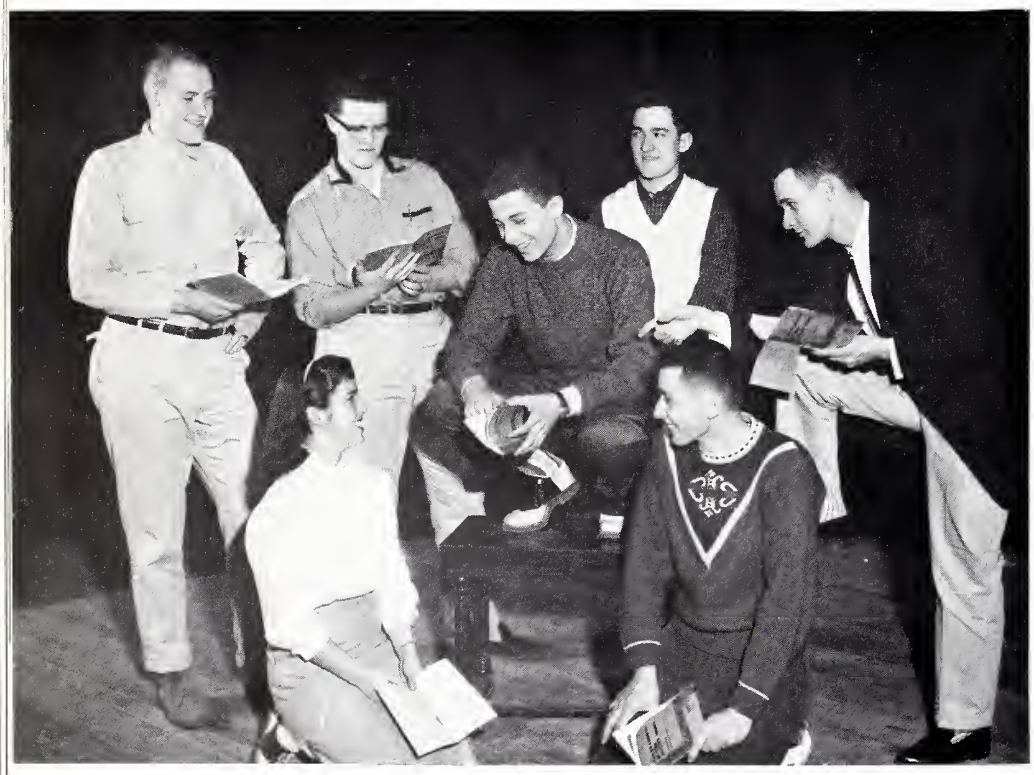

What everyone thought were festoons of flower-decked ropes turned out to be the swings lowered from the rafters for the chorus number.

The show was a financial and dramatic success.

Grand Finale united everyone to the tune of "There's no business like show business."

Follies, Senior Play are smash hits.

Rehearsal for "Teahouse of the August Moon"—**Row 1:** Bonnie Winslow, Dan Ward. **Row 2:** Dan Jacobs, Jim Naylor, Dave Nelson, Alan Shields, Mr. Beeson, director.

Twenty-six seniors took part in the Senior Class production, "Teahouse of the August Moon." The play, a success on Broadway, went over big at Thornton too.

The finished production came too late in the spring for yearbook deadlines, but the camera caught actors in rehearsal.

Mr. Hugh Beeson directed the play. Principals in the cast were David Nelson as Sakini; Dan Ward, Capt. Fisby; Dan Jacobs, Col. Purdy; Bonnie Winslow, Lotus Blossom; Diane Pearson, Miss Higa Jiga; Al Shields, Sgt. Gregovich; James Naylor, Capt. McLean.

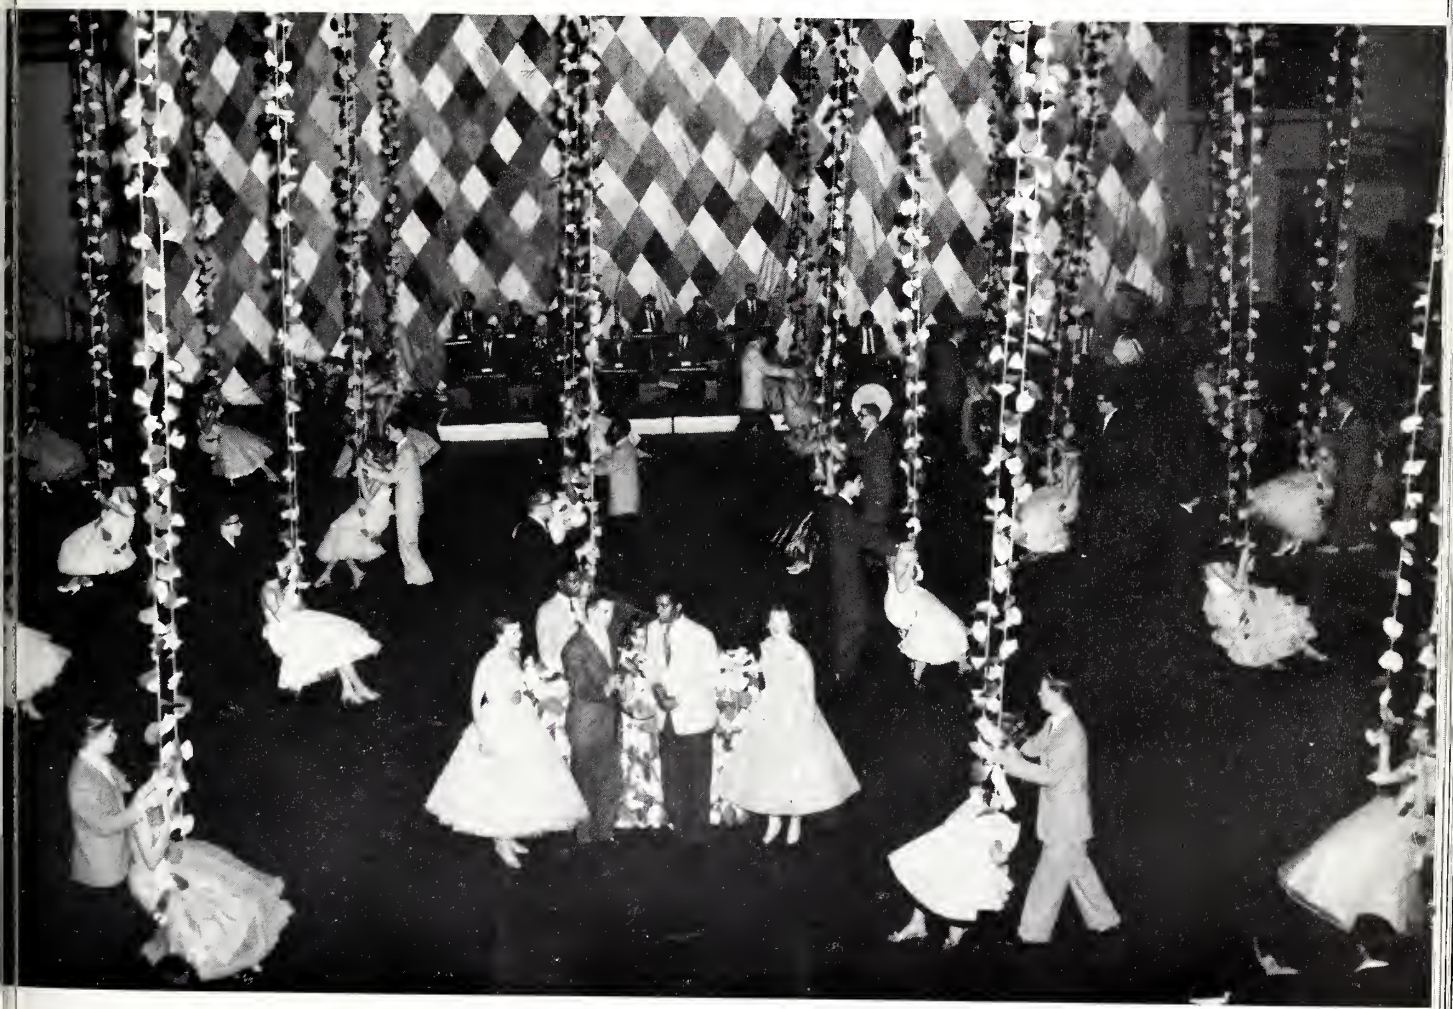

Numerous villagers and the Ladies League for Democratic Action occupied other cast members.

The auditorium was decorated with Japanese lanterns. Ushers, in oriental costumes, served iced tea during the intermission.

Variety show—Celestine Dancers give a very modern performance in rhythms.

"South Pacific Medley" by the Mixed Chorus was the most dramatic number.

KIP Gym Jam

Two Gym Jams, sponsored by KIP, are activities all Thorntonites look forward to. The first Gym Jam came in the fall on November 22; the second in the spring, on March 21.

The fall Gym Jam attracted over 1800 students. The flu blug kept many Thorntonites away from the spring affair.

Sports and games are planned for everyone who attends. Activities include swimming, shuffleboard, volleyball, ping pong, dancing, checkers, and chess. Art students drew silhouettes of the students in charcoal. For those who didn't care for the new pop songs, a special booth was provided where they could try their skill at throwing baseballs at pop records.

Corridors were busy places too.

Volleyball courts were jammed.

Shuffleboard courts on the mezzanine were always busy with players and watchers.

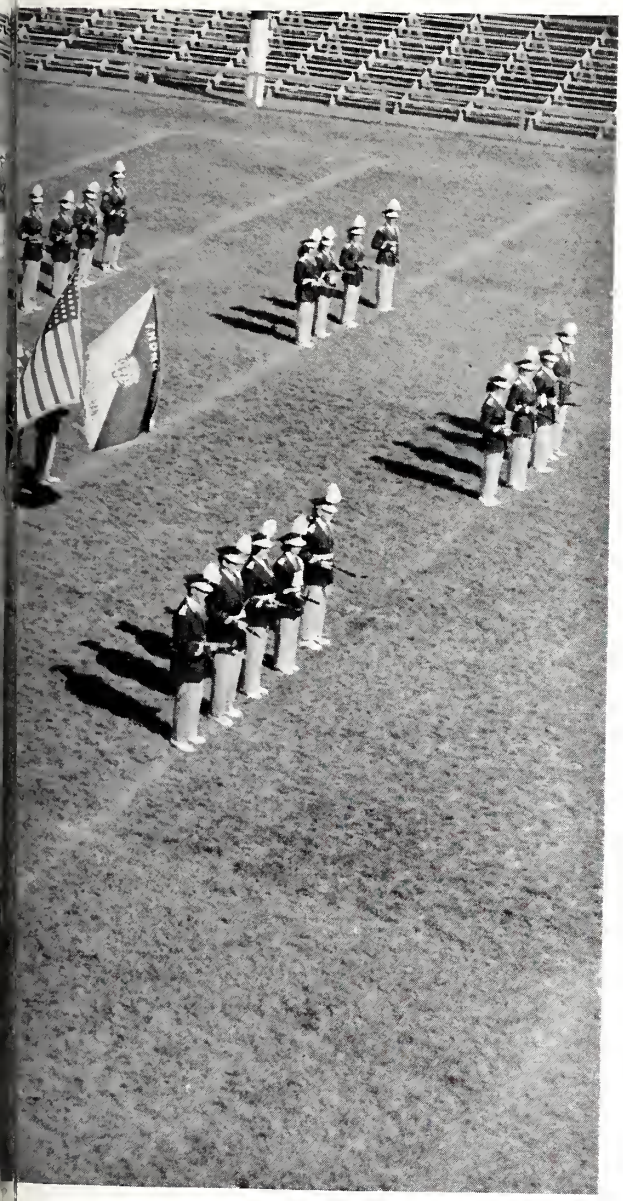

What could be more exciting than a dance contest? Highlight of the evening dance session came at the annual rock and roll contest. Over one hundred students entered. After eliminations, winners were named as follows: Stan Hunter, senior, and Roberta Scherzinger, sophomore, first place; Claristine Staples and Sonny Allen, both freshmen, second place. Ronnie Klein, junior, and Helene Linz, senior, captured third place.

Albums and single 45-play records were the prizes. Judges were Miss Nancy Ross, Thornton English teacher; Miss Geraldine Wetzel and Miss Margaret Eubanks, gym teachers; and Mr. Lyle A. Hopkins, Thornton's band director. Chairmen were Carol Logan and Joe Hemingway.

As pall-bearers slowly brought in their dead rival on a stretcher, at Thornton's first football pep assembly, the band played a dirge. To the tune of "Poor Judd," from **Oklahoma!**, the bearers intoned, "Poor Elgin is dead!"

For Homecoming, fans gathered on the bleachers, listened to speeches from old grads, and watched hilarious stunts—all this in the afternoon before the big game. It was a gray day but nobody minded. When the Wildcats won, there was plenty of celebration afterwards at the Purple X open house in the gymnasium.

Other pep assemblies followed, well timed and under student council direction, when basketball season got under way. Thornton fans had plenty to keep their interest in sports alive.

"Poor Elgin!"—Park Bunker, John Adler, Bob Burdett, Dan Ward, Dan Jacobs, Andy Wilson, mourn for Mickie Del Nagro.

Every football game was a big event.

Can you imagine a football game without the Girls Club Refreshment Crew? They are really kept busy selling hotdogs, cokes, popcorn, and candy. They take refreshments to the stands and operate a concession business in the fieldhouse. Members of the crew are chosen for their dependability and their willingness to work.

While the Refreshment Crew were slaving to keep fans happy, spectators were yelling the Wildcats on to victory. Cheerleaders did a terrific job in bolstering school spirit. Ushers kept people seated so everyone could see, and Lettermen sold game programs with line-up information.

Color Guard and Twirlers led the Thornton Band through opening ceremonies and half-time maneuvers. Mrs. Betty Wagner was director.

Twirlers did their share, too, in community affairs in which the band took part. They marched in the "I Am an American", Fire Prevention, Armistice Day, Santa Claus, and Memorial Day parades. They took turns at basketball games and twelve of the corps appeared at the band concert.

After the game everyone gathered at the Purple X open house for dancing and fun. Junior Red Cross sold cookies and Thorntoneers provided the music. Average attendance was a thousand. Students from Bloom were Thornton guests for the PX after that game. Getting to know each other improved inter-school relations considerably. Even arch-rivals could be fun, Thorntonites found.

Thornton Wildcats started their 1958 season on the wrong foot by dropping a close game to Waukegan, 7-6. Fumbles and interceptions kept up the losing streak when Elgin walloped the Cats, 18-0.

Then, fortunately, luck changed; the Cats won every game. First came a sound trouncing of the Thornton Fractional Meteors of Calumet City, 14-0. A week later the Wildcats evened their season record at 2 wins, 2 losses, by clawing the Argonauts of Argo, 21-0. Then, invading the nest of the Blue Island Cardinals, the Wildcats subdued those tormenting Redbirds, 14-7, thus setting the pace for the South Suburban League with 3-0.

Highest score of the season was chalked up when Thornton's pigskin crew handed the Lockport Porters a 38-7 drubbing.

Great team effort, backed by the "we can" spirit, next guided Wildcats to a 20-19 upset of the Bloom Trojans from Chicago Heights. With this win, Cats took sole possession of the South Suburban League lead.

On a rather chilly Halloween evening, Wildcats jumped on their purple and white broomsticks and traveled to the land of the Kays, where they haunted Kankakee, 26-0.

Thornton's Homecoming was made all the better when the Cats sewed up the South Suburban League title by whipping the Leyden Eagles, 28-0.

Thus ended one of Thornton's most successful seasons. Unbeaten and untied in league play, the Cats were rated high in the state.

Junior Varsity Football. Thornton's JV team had an excellent season in 1958. They finished their second successive undefeated year with a record of three wins, no losses, and only one touchdown scored against their rugged defense. Some of the outstanding players were Allan Lindsay, center; Jerry Gruszczyk, end; Jim Bednar, quarterback.

JV's opened their season by whitewashing Argo and Blue Island, 20-0 and 26-0, respectively.

Continuing this pace, they defeated Bloom by 13-6 and racked up a season total of 59 points to their opponents' 6—an impressive record.

Thornton's Frosh-Soph football team ended its 1958 season with a record of 5 wins and 4 losses. The boys were under the leadership of coaches Bob Blaha and Ted Czech. Although their record was mediocre, prospects for next year are very good. The team was led on offense by two fine left-handed quarterbacks, Bob Caress and Gil Schultz. Renault Banks and Phil Morley were two other offense standouts. Allan Dehnert, John Klein, Gary Giese, and Claude Kracik sparked the defense of the team.

Soph football opened with a 13-6 triumph over Waukegan. In the second game, the Wildkits were subdued by Elgin, 13-0; that was followed by a loss to Fractional, 13-7. The Kits beat Argo, 13-7, shut out Blue Island, 15-0, and whipped Lockport, 22-7. Bloom beat the Kits, 19-13, but the Kits edged Kankakee, 12-7. Leyden won, 18-16.

Frosh look good.

Thornton's freshman football squad completed its 1958 season with an outstanding record of 5 wins and 1 loss. The team was under the guidance of coaches Mel DeGraff and Jack Robinson. This tremendous record of the freshmen definitely is a sign of good things to come for the varsity.

Leading the team to its wins were Ted Fluornoy, John McKibben, Joe Warnell, Don Slusser, Larry Meuhring, and Glenn Becher. Other standouts were Henry DeBose, Maurice Johnson, Gary Holmer, Jeff Parham, and Bob Mandernak.

Frosh season began with a sound trouncing of Fractional, 26-0. The little Kits then romped over Argo, 34-0. After this win the boys proceeded to drop Blue Island, 14-0. Then they defeated the Little Porters of Lockport, 27-6. Next, Bloom was shut out by the little Kits, 19-0. First and only loss came at the hands of Kankakee, 12-6.

Service Squads

Ushers, Cheerleaders, Lettermen, and Purplettes gave their services at TTHS sports events.

Game ushers were responsible for proper seating in reserved sections and for keeping crowds in order—off the field or the floor, out of the aisles or "down in front!"

Cheerleaders practiced long and faithfully and worked (we do mean **worked**) loyally at every game. Going is easy when the team is winning, but rough when it's losing.

Lettermen's Club sold game programs during football and managed the refreshment concession in basketball season. Money earned helped on the banquet at the end of the year.

Purplettes, a brand new organization last fall, helped in half-time entertainment with dance routines and demonstrations. Miss Kehart and Mrs. Wilkerson were the sponsors of the group.

"Wear white tonight and sit with the Pep Club." That was the slogan of Thornton's new club for the betterment of school spirit. These enthusiastic students sold cushions, made posters and banners, and really cheered.

One of the most successful new clubs at TTHS this year was the Gymnastics Club. In spite of its newness, there were forty-eight members, meeting twice a week. To obtain membership, candidates had to be proficient in such feats as sit-ups, head stands, forward hand springs, and dive roll. Mr. Dick Foerch, new gym teacher at Thornton, was sponsor. Both boys and girls belonged. Members performed during half-time at games.

Thornton boasted two gymnastics teams this year, also. They made great progress in interscholastic competition for such a new group. Only boys were eligible to belong of course, since competition was between schools.

THS chalks up

Thornton's four basketball teams—varsity, junior varsity, sophomore, and frosh—eompiled a splendid reeord for Thornton in 1958-59.

The varsity squad finished the season with an exeellent 27-3 reeord. The third loss eame in the final game of the year against West Aurora in the Hinsdale super-seetional.

Bringing the team through the season with sueh a fine reeord were Frank Lentfer, Andy Wilson, Bart Pettiee, Paul Jackson, Jim Ring, Bob Caress, and other players from the junior varsity team.

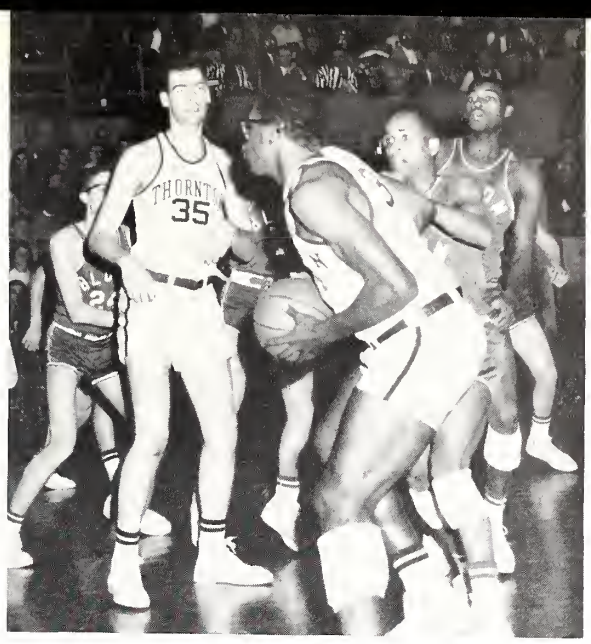

The junior varsity team came through the season with a 9-4 reeord. The young Cats lost to Leyden, Bloom, Blue Island, and Argo in an early season slump. They played their final eight games without a loss.

The sophomore team gave evidenee of beeoming one of Thornton's better winners in the eoming years. The Kits compiled a great reeord of 16-3.

The Kits were always playing elose games. They never lost by more than a basket and eonstantly won by the same margin. Their largest margin was 41 points in a 70-39 win over Leyden.

The frosh basketball team had its ups and downs but eame through the year with an 8-6 reeord. Its best win was a 42-8 triumph over Argo. However, Bloom downed the Kittens in their first meeting, 51-17.

In the overall eount, Thornton's teams finished with 60 wins to the opponents' 16.

Varsity Season

Thornton's 1958-59 varsity basketball squad is worthy of all the praise it can get. The team came through the season with an excellent 27-3 record. Their only losses were to Barrington, 58-54; Bloom, 42-39; and West Aurora, 71-58, in the super-sectional game of the Sweet Sixteen tourney.

The Cats downed such highly rated opponents as Bloom, Joliet Township, Rich (twice), Morton, Lockport, and St. Patrick's of Kankakee.

Having split two league games with Bloom, the Cats were faced with sharing the league title with the Trojans. However, the last day of season play Lockport came through with a win over Bloom to hand our Wildcats the crown.

In tournament play Thornton downed Morgan Park, Bremen, and Blue Island in the regional. We won the sectional but lost the super-sectional.

JV Season

Coach Frank Bauman's junior varsity basketball team ended the season with a good 9-4 record.

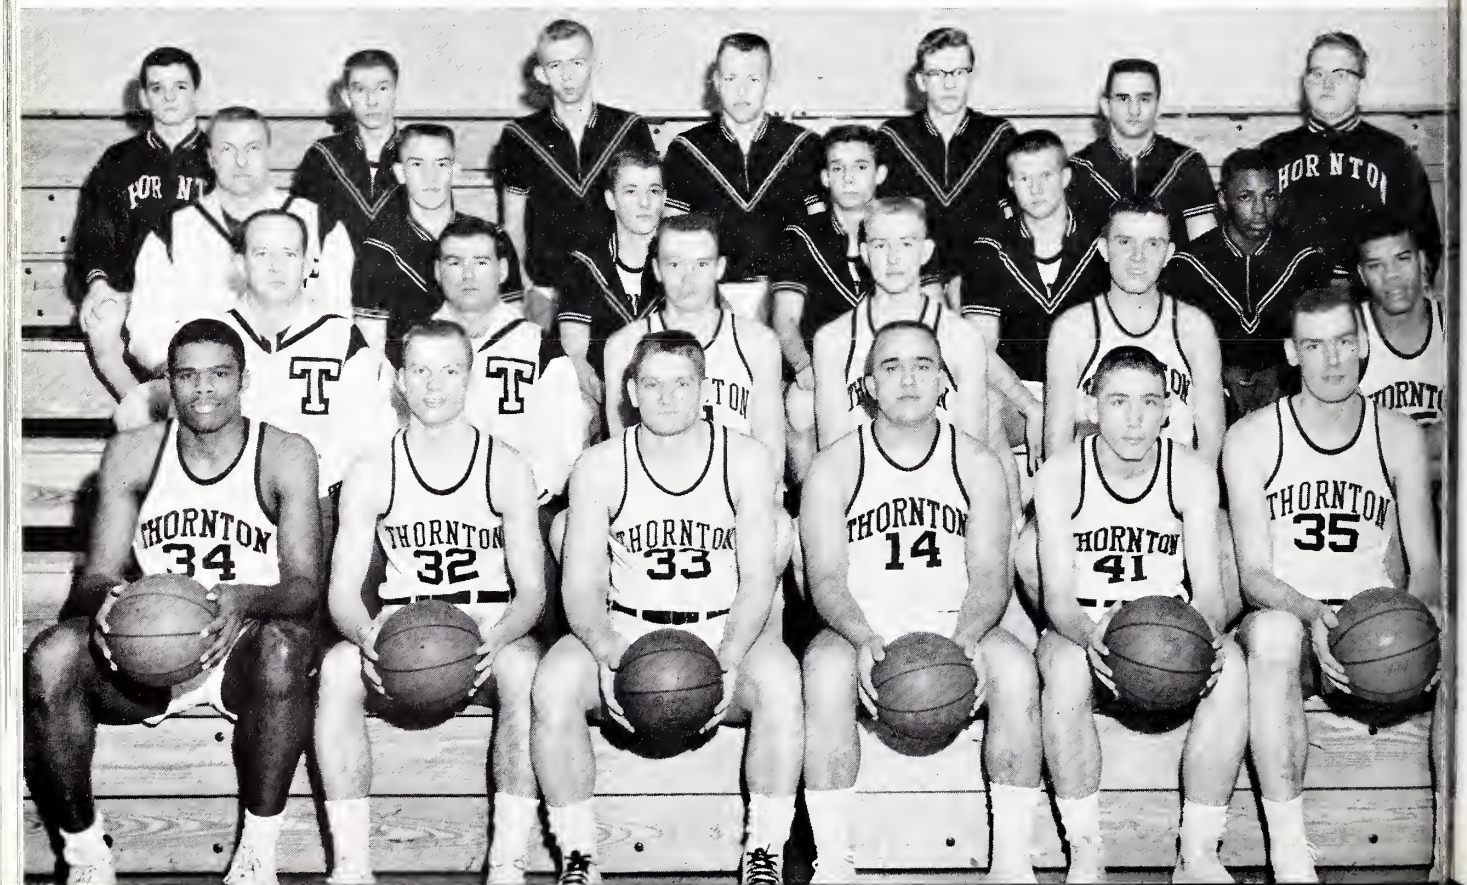

The junior Cats started the season by dropping Fractional, 51-41. Then a four game losing streak to Leyden, 53-50, Bloom, 56-50, Blue Island, 55-57, and Argo, 42-41, proved to be the only losses for the rest of the season.

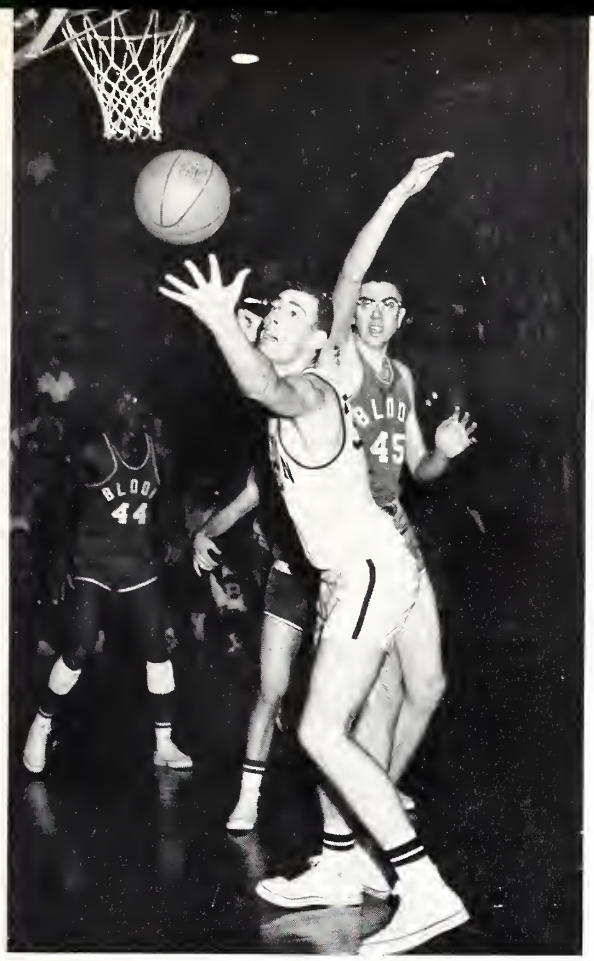

A 57-40 preceeded a 72-42 triumph over Shorewood, Wisconsin. This game was played before the varsity game in place of the sophomore contest because Shorewood had no sophomore team.

The Cats then edged Fractional, 54-50, and Leyden, 72-64. Kankakee fell, 63-55, as did Bloom, 57-36, and Blue Island, 53-33. In the season's final match, the Cats edged Argo, 43-40.

Bill Bell, Dave Lezeau, Bill Labuda, and Stan Thompson were tops on the junior varsity squad.

Renault Banks, Allen Dehnert, Wilfred Henry, John McKibben, Gil Schultz, and Rich Simac were the top players on Coach Bob Anderson's great sophomore team which this year finished with a whopping 16-3 record.

The Kits were notorious for playing close scoring games. For example, the boys' three losses were to Morton, 38-36; Rich, 44-43; and Argo, 47-45.

Some close wins were La Grange, 45-43, in double overtime; Leyden, 44-42; Bloom, 40-38; Kankakee, 50-49; Bloom, 46-39; Blue Island, 44-38; Argo, 45-43; and Kankakee, 50-45. The last two were won in overtimes.

Other outstanding squad members were Ed Ceres, Oz Childress, Len Dabon, Marv Keeling, Fred Lindsay, and John Tilton.

This was a fine team and a fine season.

The Kittens began and ended the season on the wrong foot by losing the opener to Fractional, 37-31, and the finale to Lockport, 41-39.

In the middle the boys lost to Bloom, 51-17; Kankakee, 28-26 and 41-37, and Bloom, 38-31.

The youngsters downed Leyden, 44-31; Lockport, 42-31; Blue Island, 41-39; Argo, 42-8; Fractional, 39-37; Leyden, 41-37; Blue Island, 43-41, and finally Argo, 45-39.

Although their record doesn't show it, these boys played some really good games. In playing high school basketball for the first time, the squad gave the coaches a good idea of what to expect in the future.

John McConnell (top) and **Payl Oberg** (foreground) blast off in the backstroke event for Thornton's Catfish. The boys, both juniors, finished first and second, respectively, to give the team another win.

Thornton's Varsity swimming team racked up their fourteenth consecutive South Suburban League championship this year. Coach F. E. Froschauer's tankmen scored a decisive victory, with Thornton, 78; Bloom, 44; Argo, 26; Leyden, 17; Fractional, 14; and Lockport, 13 points. Blue Island did not participate in the meets.

The Wild-catfish compiled a season record of fourteen wins and no losses, together with the conference meet victory. The team was considerably supported by Larry Asmussen, Jack Schiltz, Nelson Smith, Rich Sella, Bob Robson, Klem Osika, Mike McMurry, Tom Carr, Dave Ahrens, and Tom McCaslin.

The Mermen started the season by blasting Leyden, 69-16. Then they tromped Argo, 66-20, and fractured Fractional, 70-16. After this, Bremen, Morton, Lockport, Oak Park, Bloom, Elgin, Riverside-Brookfield, and Hammond fell to the surging swimmers. As one can see by this account of the season, TTHS swimmers did very well, and Thorntonites have reason to be definitely proud of them.

Frosh-Soph swimming coach Mel DeGraff led Thornton's Merkits to a fine season record of 8 wins and only 3 defeats. In the conference meet, Thornton's Frosh-Sophs took first place with 69 points. Bloom followed with 67 points. Argo had 23, Lockport 18, Leyden 15, and Fractional, 0.

The Frosh-Soph squad began the season by downing Leyden, 70-16. They began a winning streak by trouncing Argo, 61-25, and then Bremen, 53-31. The little fish handed Morton a 51-35 setback. Lockport was defeated, 53-31, before the Kits lost to powerful Oak Park, 65-21, and Bloom, 57-29. Thornton downed Fractional, 66-20, and Bremen, 49-37, lost to Bloom, 38-48, but won over Riverside-Brookfield, 46-40.

"Help! Help! He's drowning!" No, this Thorntonite is not drowning. It just seems that way as Jack Schiltz breezes toward the finish in the conventional breast stroke event he won.

Bat-Cats look mighty good again.

Thornton's Bat-Cats began their 1958 season on the wrong base. The stickmen lost four of their first six games.

The losses were to Morton, 10-2, and Joliet twice, 7-3 and 5-4, in non-conference play and to Blue Island, 5-2, in the conference. The Cats downed Rich, 4-2, and East Chicago, Indiana, with a score of 10-5.

In the last half of the season Thornton went undefeated. The Bat-Cats beat all six league opponents to tie for the South Suburban league lead with a 6-1 record with Blue Island.

The boys defeated Kankakee, Lockport, Leyden, Fractional, Argo, and Bloom.

The '59 Bat-Cats began with Morton again and this time they edged the Mustangs, 1-0.

Prospects for a good future seemed evident as this book went to press.

Thornton's Frosh-Soph Stickmen had a tremendous season in 1958. The boys checked in with a 7-0 league mark and a 9-1 season total.

In conference play, the team, coached by Ron Ferguson, downed Blue Island, 5-1; Kankakee, 3-2; Lockport, 14-7; and Leyden, 9-6. Also beaten were Fractional, 8-3; Argo, 6-3; and Bloom, 8-2.

In non-conference play, the Frosh-Sophs dropped Rich, 5-3, and Joliet, 18-0. The only loss of the season was to Morton, 8-5.

Some of the outstanding players were Nick Altavilla, Barney Arendt, Brian Baumruk, Bob Caress, Vince Coppins, Claude Kracik, John Kwasny, Wayne Miller, Milt Marley, Gil Schultz, and Lowell Thomas.

1959 season appears bright with some returning lettermen and good incoming frosh players.

Over the top for Stan Hunter, pole vaulter.

Frank Bauman's varsity track team broke off even by winning three meets and dropping the same number—in 1958, that is.

Thornton walloped Wendel Phillips (Chicago) and University High (Chicago). Then Morton scored a victory over Thornton, 64-53. Bloom won the district meet, with Thornton, Lockport, and Argo finishing in that order.

Fractional fell before Thornton's tracksters, 85-33. Then Leyden became another victim, 67½-57½. Kankakee ruined the finale by whipping the Wildcats, 67-50.

The conference meet again found Bloom way ahead of the rest of the pack. The Trojans accumulated 76 points, with Kankakee, the second place team, grabbing 35 points. Thornton, Leyden, Lockport, Blue Island, Fractional, and Argo finished in that order.

"On your marks"—Pete Eckert, Lou Hanacek.

Thornton's little track team, coached by Ted Czech and Mel DeGraff, had a fairly good season although they placed fifth in the conference meet.

The little tracksters beat University High (Chicago) and Phillips (Chicago) in their first meet. Then Morton came along and whipped the Wildkittens, 83-26. Thornton placed third out of four entries, which included Bloom, Argo, and Lockport, in the district meet. Then Thornton rolled on to impressive victories over Fractional, Leyden, and Kankakee.

The conference meet found Bloom taking first with 58½ points. Then came Blue Island, Argo, Fractional, Thornton, Kankakee, Lockport, and Leyden in that order.

The '59 tracksters show signs of improvement.

Golf, Tennis get late spring start.

When spring comes, Thornton golfers get an enthusiastic desire to drop their books and pick up their golf bags.

Frank Froschauer, guiding the Teemen, led the '58 golfers to a respectable record of 10 wins, 3 losses, and 2 ties.

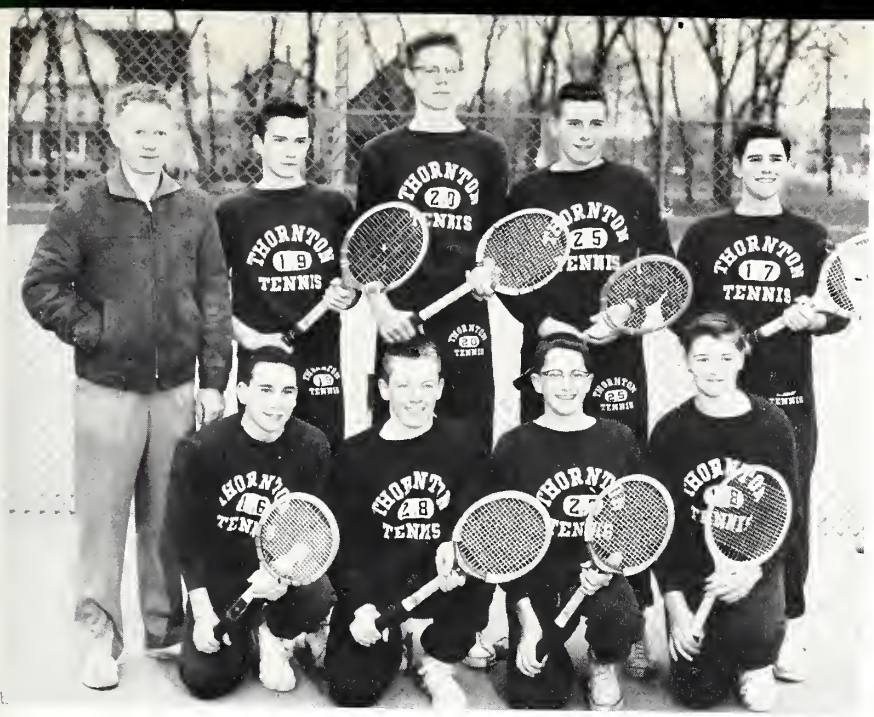

Thornton beat Lockport and Bloom, tied Bloom, and then beat Rich and Blue Island. Lockport finally dropped the Thornton Teemen from the ranks of the unbeaten with a 10½-4½ victory.

Fractional, Bloom, and Blue Island became victims of the Thornton attack. Bloom, seeking revenge, then dealt Thornton its second defent, 9½-5½. Rich, Leyden, and Blue Island fell again before the Wildcat surge. Kankakee dropped Thornton, 8½-6½, after which Thornton walloped Leyden, 15-0, in their final game.

League results showed Leyden, first; Lockport, second; and Thornton, third.

Senior golfers, George Roberts and Leonard Fiocca.

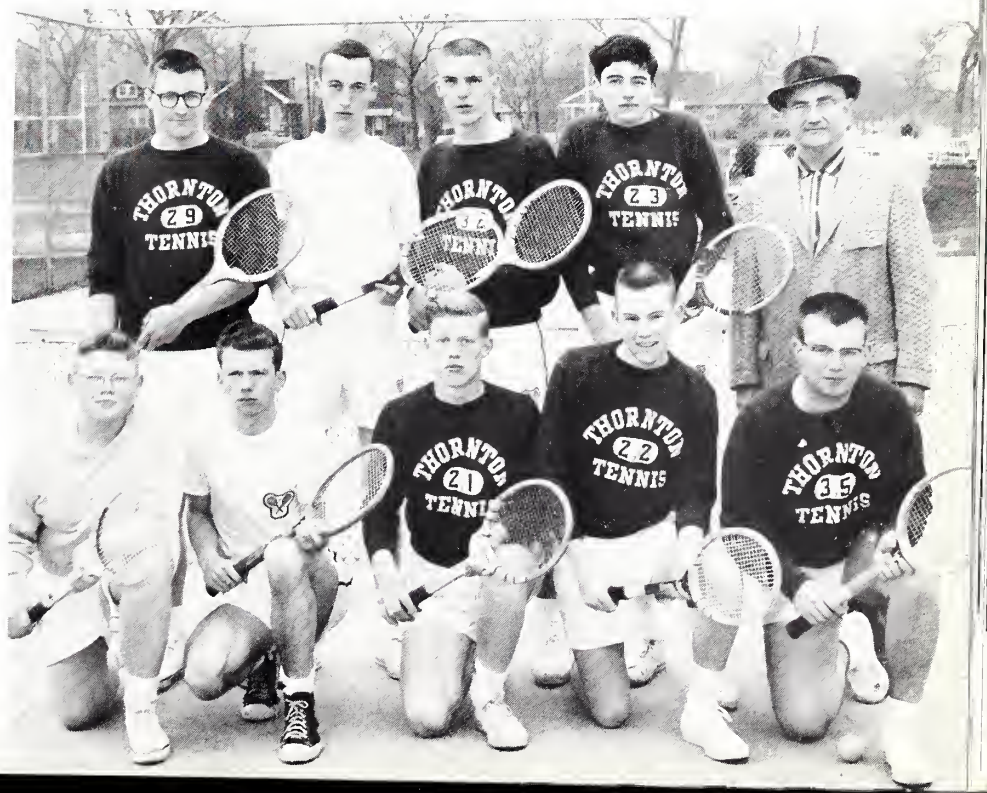

Frosh-Soph Tennis—**Row 1:** Bob Cantwell, Fred Langenberg, Edward Rotkvic, Jack Grzesik. **Row 2:** Robert Sutor, coach; James Needham, John Tilton, David McRoberts, Larry Bean.

Coach Charles Moore's varsity tennis squad had a good season in 1958. The Netmen won seven meets and lost five, tied second in the conference and third in the district.

The boys downed their first seven opponents and then lost to the last five. Beaten were Fenger, 3-2; Rich, 4-1; Leyden, 6-1; Lockport, 5-0; Downers Grove, 7-0; Kankakee, 5-1; and Rich, 6-0. The team lost to Fenger, La Grange, Blue Island, and Joliet (twice).

Thornton's 1959 Frosh-Soph tennis team looked much improved over the 1958 squad. It seemed apparent that Coach Robert Sutor had been working hard with the team.

The first practice, April 6, showed many boys trying out. Bob Johnson, Dave Ossowski, and Jack Grzesik made up the returning end of the team while six new players brought the team tally to nine. Downers Grove and TTHS tied their first match, 4-4.

Varsity Tennis—**Row 1:** Claude Lo-Piccolo, Larry Stone, Norbert Loose, Gary Gibson, James Rice. **Row 2:** Charles Cerny, Dudley Hopkins, John Adler, Fred Needham, Charles Moore, coach.

Boys Intramurals

Boys intramurals provide a healthful and vigorous outlet for activities. About 350 to 450 boys took part in the sports this year, and of these 33 teams were formed. Interest was high and competition strong.

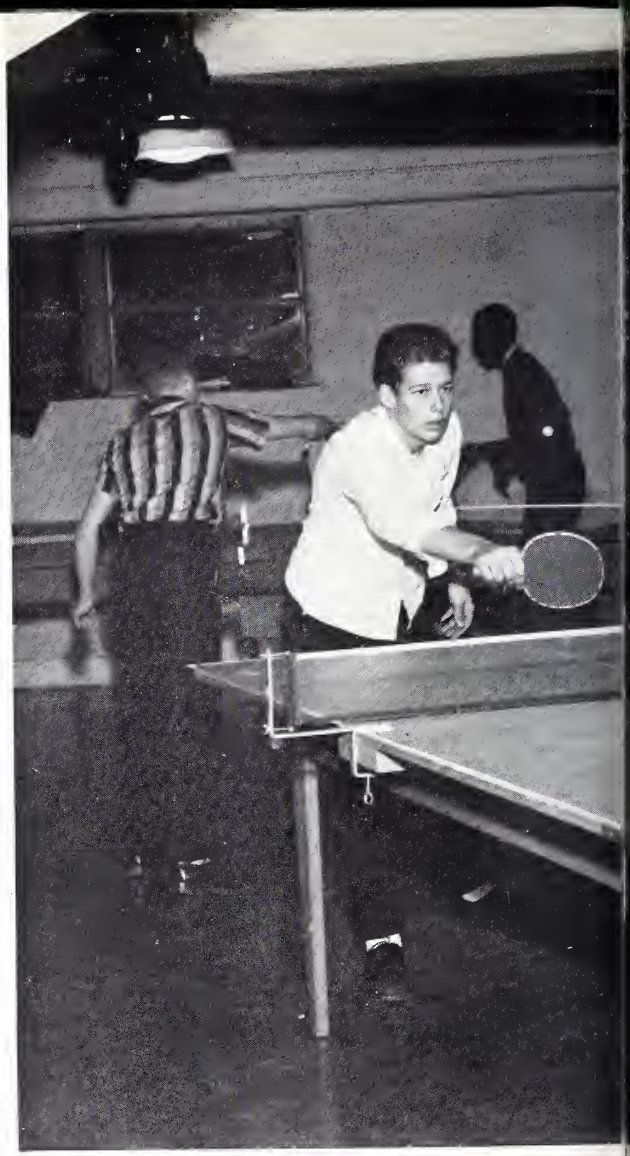

Boys started out in the fall with basketball. Fifteen freshman, eleven sophomore, and eight junior-senior teams competed. At each meet four games were played. The winner received a trophy. All meets were held after school from 3:30 to 5:00 in the school and Buda gyms.

At the beginning of November, shuffleboard, table tennis, chess and checkers teams were formed. Competition in these activities lasted until the end of February.

March saw about fifty boys organize into seven volleyball teams.

When early spring teams for golf, horseshoes, tennis, and softball were started, about seventy-five to a hundred boys participated.

Emblems were given to the first, second and third place winners in each spot.

Girls Intramurals

Tonight, Volleydolls versus Doyletts; Don't miss this game and many more exciting ones to be played in the gymnasium.

Volleyball was only one of the many after-school activities open to any Thornton girl who was interested in participating in sports.

Speedaway tournaments, softball tournaments, and basketball tournaments were among the sports offered to girls during the year. The games gave each girl a chance to meet many new friends, to develop good sportsmanship, and have lots of fun. Sometimes as many as 260 girls signed up to play on the different teams.

Girls Athletic Association is an organization to develop sports, swim, and dance skills, to encourage fair play, constructive use of leisure time, and creative ability.

This year's sports included bowling, softball, basketball, synchronized swim, modern dance, and volleyball. Any girl is eligible for association membership after she has completed one season. Awards are based on number of completed seasons.

Parents' Play Nite in the fall and the January banquet, "Spotlight on Sports," were two important activities.

it's CLUBS

KIP is Thornton's Student Council.

"Knowledge Is Power," the school motto, gives Thornton's student council its name. KIP has two main groups in its organization: the board, meeting twice a week in the student council office: and the forum, which meets once a month in the auditorium.

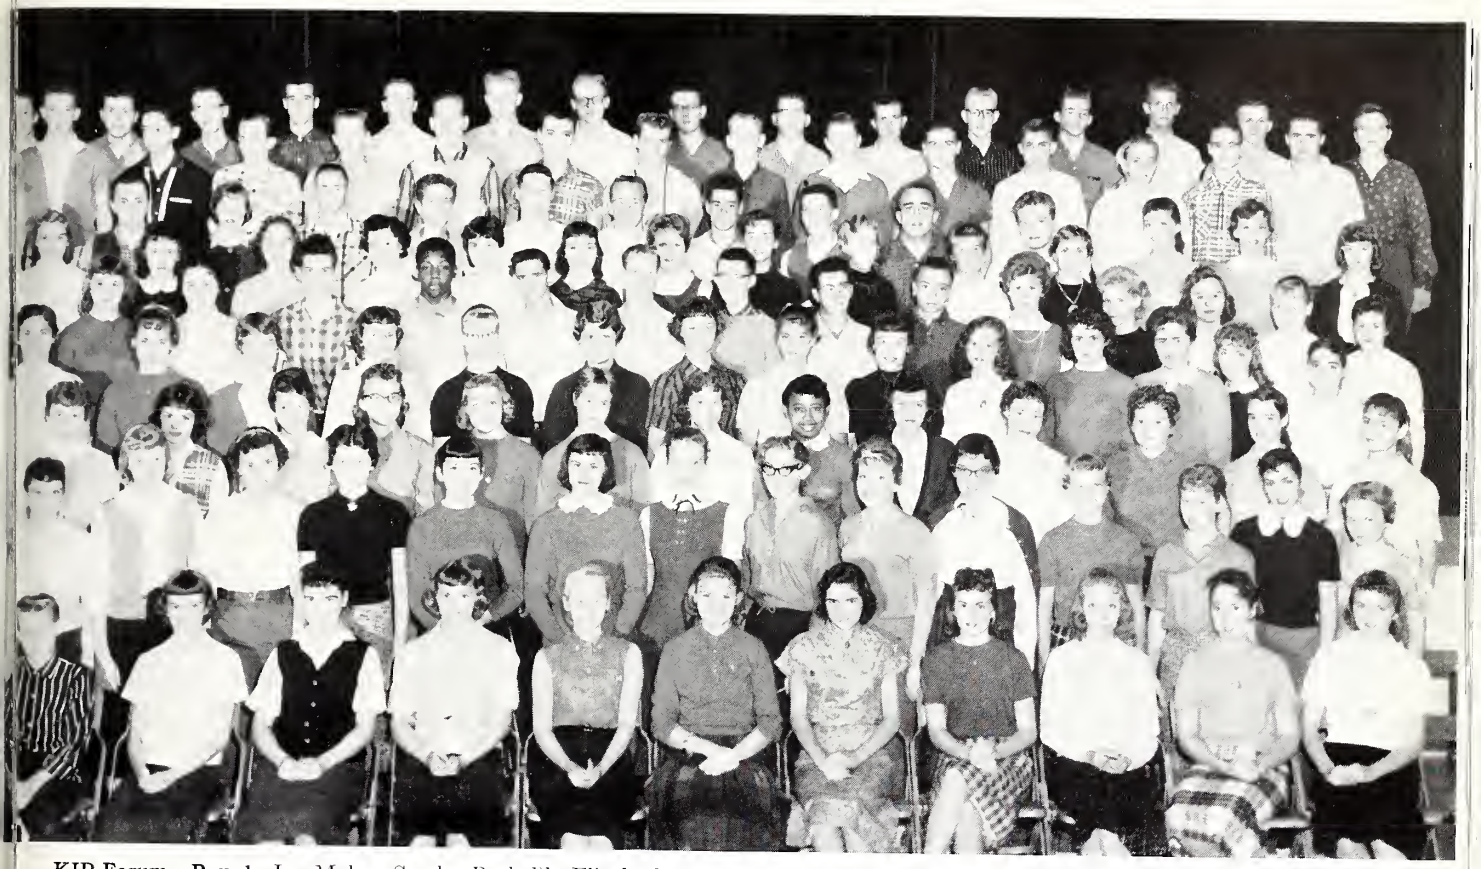

KIP forum is a group of representatives from each homeroom, but the board and officers are elected by the student body as a whole. A week of campaigning in the spring is followed by election of major officers and of most of the board: five seniors, four juniors, and three sophomores. Two freshman members are elected the following fall. Board members and officers make policies and plan activities; forum members publicize KIP plans by reporting to their homerooms matters discussed at forum meetings.

Purpose of KIP is to give students a part in administration of the school and to provide a means of communication among student body, faculty, and administration.

KIP helped with picture-taking and distribution of ID cards in the fall, maintained a lost-and-found department, and organized bus transportation to out-of-town games. Publication of an all-school directory, known as the "Buzz Book," was another big project. Council members kept in touch with other schools through the South Suburban Association, a student council workshop, and the state convention of councils.

KIP had projects.

European Tour—John Adler (runner-up), Bob Burdett (finalist).

Two of the biggest projects on KIP's long list were Homecoming and the cafeteria clean-up.

For Homecoming, there was an outdoor pep assembly followed by a parade, complete with prizes for the best in each division. There was a Homecoming ball, too, with a king and queen.

When Thorntonite carelessness in the cafeteria had gone far enough, the council acted. Trash thrown on the cafeteria floor was allowed to accumulate until everyone could see the need for everyone to be careful. The plan worked.

There were KIP sponsored pep assemblies, also, and two highly successful Gym Jams. When it came time to put on Thornton's annual variety show, KIP was around to help.

A big honor came to TTHS when Bob Burdett, KIP vice-president, was selected to be one of seventy-six high school students, from throughout the nation, to participate in a trip to Europe, this summer. The tour is being sponsored by the National Association of Student Councils.

Managing open houses after each home football and basketball game is the biggest project Purple X has, but other projects include bringing talent for all-school assemblies and giving financial support to school organizations. On the list of assembly talent this year were Purdue Men's Glee Club, the Navy Band, Dr. William Alexander, and Dr. Murray Banks.

PX Committee of eighty-five members meets at least once a month. This year a new office was made from the Old Boys Club office. Mr. Harms sponsored the group with the help of eleven faculty committee members.

Fifteen open houses were held with an average attendance of 1,000. Purple X did a fine job. Student members learn to take responsibilities, and have fun, too.

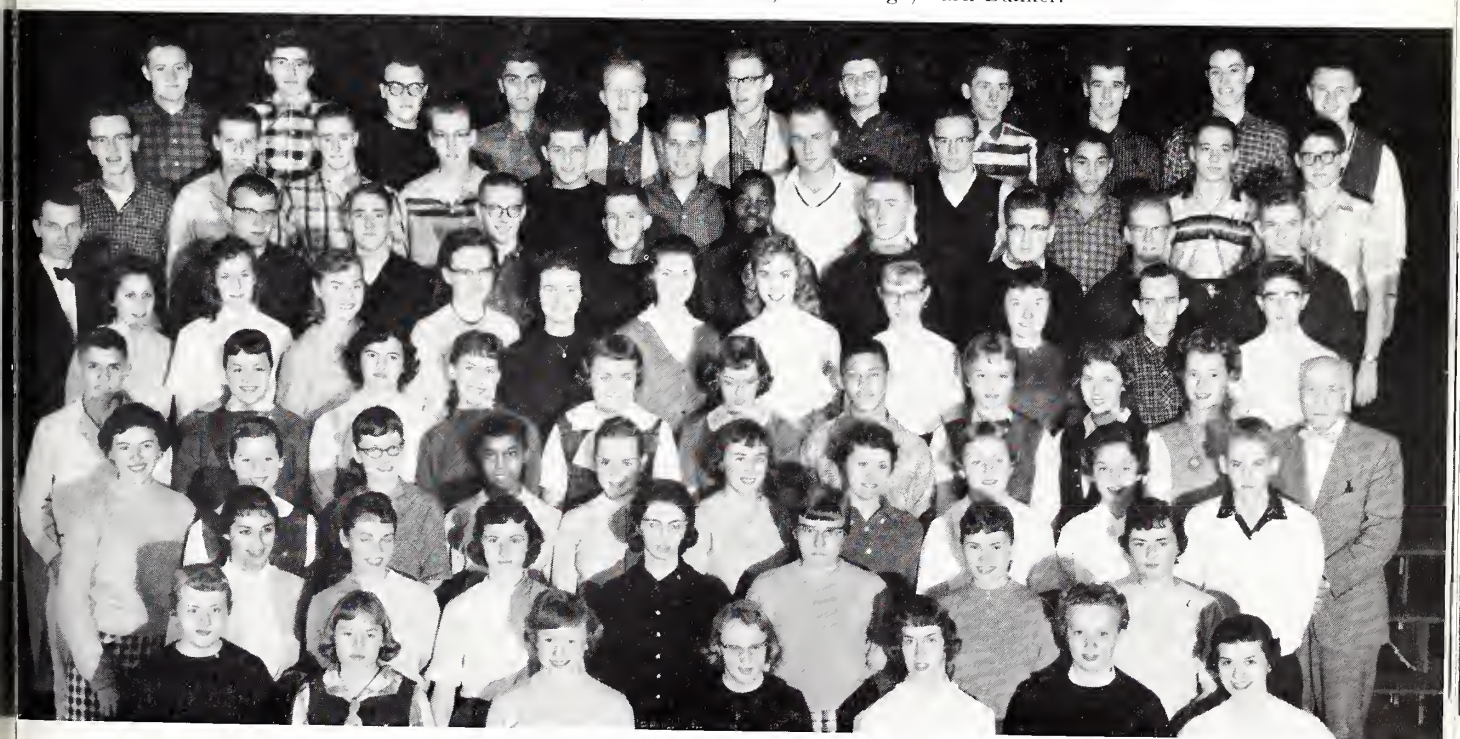

New members are initiated and officers are installed at the annual Purple X banquet in May.

Father-Son Stag—Mr. Howard Fulk (center), wood shop instructor, laughs with his visitors, Gordon Grassle and father, Mr. Larry Grassle.

Boys Club is designed to assist every boy at Thornton to get the most profit and pleasure in his school life.

Club work is carried on by a board whose members are elected by popular vote of boys in the freshman, sophomore, junior, and senior classes.

Club projects, carried on by all members, are Bus Guards, to protect students on buses to and from school; Campus Patrol, to keep the campus clean; and Hall Guards, to free the halls from distracting noises while classes are in session.

So that parents may see what is going on in school, the club sponsors two social gatherings, the Father-Son Stag and the Mother-Son Banquet. Dads toured the new buildings on February 7 and mothers had their chance on April 25.

With the Girls Club, the Boys Club sponsors a play each year—this time it was "Our Hearts Were Young and Gay." Proceeds are used to buy talent for school assemblies and for the two annual social affairs.

Bustling Girls Club

Two thousand girls can think up a lot of activities. And that is just what goes on in 107—a lot of activity. There are meetings and social functions, day and night.

Major officers meet every day during homeroom plus three other times weekly. Board and Council each meet twice a month and Division Chairmen as called. Ninety functional committees meet during study halls, before and after school, and occasionally in the evenings.

Traditional social affairs include the Freshman Stand-Up, Dad-Daughter dinner, Faculty Tea, Dance, and Mother-Daughter banquet. Recognition of merit is made on Scholarship and Loyalty days and on Girls Club Honors Day.

Group meetings orient underclasses to Thornton traditions and ideals; assemblies before social functions train girls in proper behavior.

in public relations.

Staff of the 1958-59 Thorntonite newspaper can be proud of the thirty editions they worked so hard to produce. Long hours of interviewing, securing advertising copy, and writing feature stories produced an excellent student paper.

An eight-page Christmas edition with a second front page was a special feature in three colors: red, green, and black. The newspaper normally has four pages and only one color.

According to Mr. Olson, faculty sponsor, purpose of the organization is to provide journalism students with first-hand experience working on a newspaper staff and to help them develop a sense of responsibility in meeting deadlines and in serving their school public.

Yearbook Staff takes

Everyone eagerly awaits the day when yearbooks will be distributed. Students grab them up just as fast as the staff can hand them out. To those receiving books, this means hunting to find their own pictures or those of friends. To staff members it means the end of a busy year of typing, filing, writing copy, and selling advertisements (almost $3500 worth), tasks that kept them busy until the very last day.

This year's Thorntonite yearbook is big, considering that in 1916 it was just a magazine. As the number of seniors pictured has increased in the past ten years from 551 to 702, the book has increased in size from 216 to 312 pages.

A staff of seventeen seniors met as a class every day. In addition they worked during study halls, free periods, and after school in order to meet those ever-present deadlines.

Medical Arts Club is an organization to acquaint students with modern medical practices and job opportunities. Miss Dorothy Lieb, school nurse, is sponsor for the group of seventy girls.

Meetings are held twice a month, after school, in the West Fieldhouse. On November 21, a field trip to St. Luke's Presbyterian Hospital acquainted girls with the schooling, living, and working conditions of nurses. They met and talked with several Thornton graduates there. On January 22, a representative from Wesley Memorial Hospital showed slides of her school and a Silver Cross Hospital representative showed movies.

Service Month is one of the club projects. Girls give help to teachers by running errands, gardening, baby-sitting, or even washing cars.

New members are initiated in a candle-lighting and capping ceremony. Next day girls wear their caps to school to complete the initiation.

Thornton's Debate Club, reorganized this year by Mr. Beeson, has about forty members who meet every Thursday afternoon at 4:20 to debate various subjects.

Purpose of the organization is to learn, improve, and promote a command of oral English. In addition to competing against each other, students participate in the state speech contest and in local contests.

Junior Red Cross, sponsored by Mr. Harold Fuller, has completed another year of service and welfare projects for the needy. Council members, twenty-eight strong, meet every Tuesday and Thursday mornings from 7:30-8:00 in 251. They are the link between the student body and the local and national chapters of Junior Red Cross.

Hoofers, FTA, and Key Club

Purpose of Future Teachers of America is to interest and inform students about the field of teaching. Meetings are monthly.

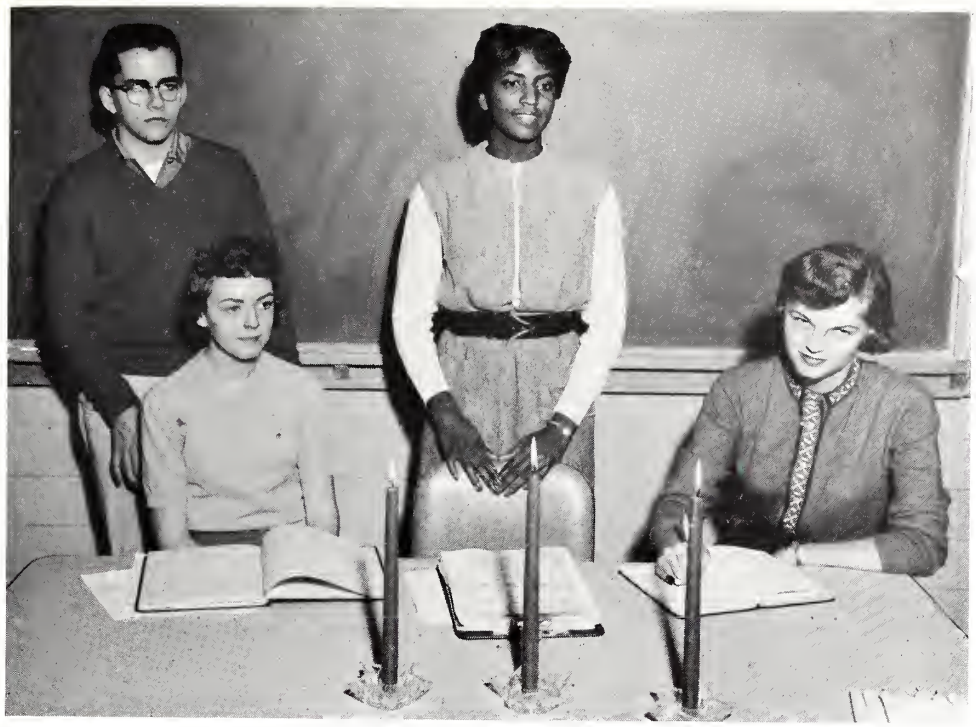

FTA members guided visitors to Thornton during National Education Week. Delegates to the Northeastern Illinois Workshop in Hinsdale heard students from Chicago and environs discuss their FTA chapters and listened to talks on the benefits and disadvantages of teaching as a career.

As tea guests of the Faculty Association, FTA members became better acquainted with Thornton teachers. FTA state convention, in April, was another big event.

Because of interesting meetings and social affairs, enrollment of FTA has increased to forty-five. Mr. Petty and Mr. Watkins are sponsors.

Key Club, sponsored by Kiwanis International, numbers thirty-two boys, who meet once a week. Mr. John Tilton is faculty adviser.

Main objective is to promote service to the school. Projects this year have been selling candy to raise money for scholarships, promoting the school safety program by giving an assembly on school safety, giving a spring dance, and sponsoring buses to out-of-town games.

Harvey Hoofers, chosen by Mr. Lahti, faculty sponsor, and by members of the group, entertained at TTHS Variety Show, at Bloom's minstrel show, at a coaches and officials convention, and on several television programs.

These eight girls make their own costumes for their dances. They receive dancing instruction by their teacher on Thursday nights and continue practice on their own after school.

Camera Club members have proved they are valuable to Thornton. Can you imagine what it was like before these shutterbugs were at dances to take pictures of couples who wanted them?

Besides taking pictures, busy members of Camera Club found time to enter a novelty in the Homecoming parade—a walking camera.

Making use of their well-equipped dark room just off the Little Theater, club members develop and print pictures they take.

Mr. Cameron, club sponsor, has been quite successful in furthering an interest in photography and developing it into a real school service. At monthly meetings members discuss methods of photography and often have photo-judging contests. At completion of a year in the club, members have a good start on their way to learning the art of photography.

are their equipment.

Thornton Projectionist Society has approximately twenty-five members, meeting once a month.

Purpose of the organization is to provide additional training experience for projectionists as a means of improving audio-visual services to all the teachers. The club provides recreational opportunities for its members. Mr. Blake Reed is the faculty adviser.

Biology Club, a new organization this year, had twenty-three members. For club projects and to increase their own knowledge of biology, members made collections of worms, insects, molds, mollusks, plants, and animals. Biology Club's entry in the Homecoming parade, "Prehistoric Fish" won first place in the float division and the sweepstakes prize for all entries. Sponsor from the faculty is Mr. George Laird.

Play Managers—Carolyn Knight, Pat Bunker, Robert Havice.

Play Managers

There's a lot more to putting on a play than just rehearsing for it, as play managers well know. Scenery, costumes, lights, sound, business and promotion are all part of the job.

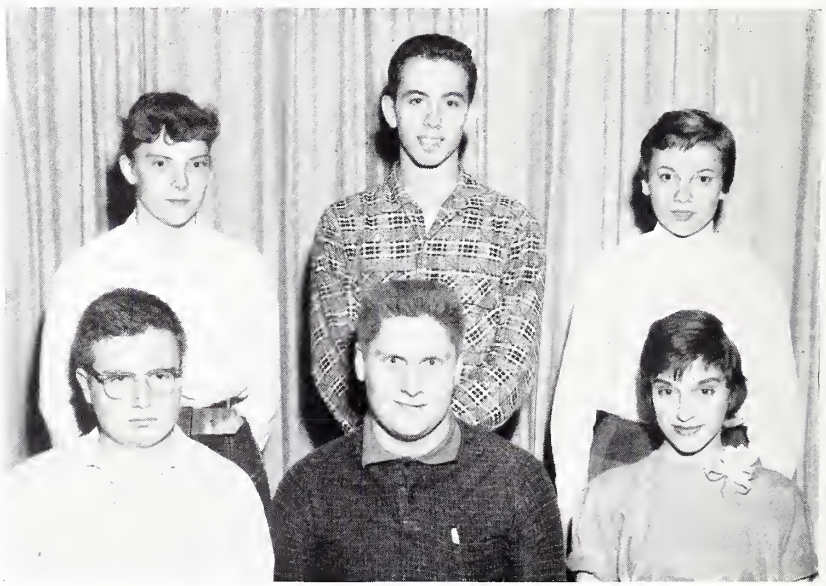

Financial success of the Boys and Girls Club play, "Our Hearts Were Young and Gay," was in large part their job. They got out and sold all those tickets. They made or had made all the posters urging Thorntonites to see the play.

They saw to it that tickets and programs were printed and ready on time. Then, when it was all over, they started worrying about the next play.

Governors

Something quite new and very important was added to Footlighters Club this year—the Board of Governors. This board, composed of the play managers, totals six in all. They are elected at the first meeting and meet very often thereafter to discuss problems which arise in connection with the club, or to plan the programs for monthly meetings of Footlighters.

Each member of the Board of Governors organizes a committee during producton of a play.

Julius Caesar—Gail Wilke, student director, and Judy Gillies as Calpurnia, wife of Caesar, hear Marcus Brutus (Larry Gattis) say his lines in rehearsal.

Speech Contest

After five years of not competing at all, TTHS was again entered in state competition in the dramatics field under the direction of Mr. Robert Zechel.

A thirty-minute play depicting events leading up to the death of Julius Caesar was chosen for presentation, a cast was selected, and rehearsals rushed through.

Footlighters helped with the Senior Class play, and the all-school Variety Show.

Footlighter Officers—**Row 1:** Elene Fetsis, president; Karen Curtis, vice-president. **Row 2:** Joanne Juskevice, treasurer; Gail Wilke, scriptorian. Diane Banovich, secretary, not pictured.

Footlighters Club

Are you interested in acting? Do you enjoy working behind the scenes? Well, Thornton has a club that is just for you. It is Footlighters!

Footlighters meet on the second Tuesday of the month between 4:20 and 5:30 in the auditorium. A special attraction of their meetings is the production of one-act plays by members.

This year, Footlighters had the opportunity of enrolling in a nationwide organization called National Thespian. Individual membership may be gained by obtaining required points according to hours worked and importance of the job.

Class Principals Assistants—**Row 1:** Bette Schoeler, Miss Ruth Ross (secretary), Charlene Pals. **Row 2:** Sherron McCoy, Carol Schmidtke, Sharon Jones, Carol Finchum, Marilyn Thyer, Gail Janus, Sharon Seerup, Nancy Godin, Madelen Witak.

CPO Assistants

Class Principals' outer office, now located in the new wing, is a very attractive reception room for visitors to the principals.

Office workers act as receptionists and help class principals with clerical work. Then, too, there are always tardy students needing passes.

Running errands and placing attendance calls to homes of absentees are also among their duties.

Nurses Assistants—**Row 1:** Helene Gottschling, Erika Leidinger. **Row 2:** Kathy Rhodes, Carol Thate, Marilynn Rimkus, Nancy Forest. **Row 3:** Judy Couwenhoven, Carol Wright, Sharon Deavens, Margo Jones.

Nurses' Aides

Nurses' Assistants are girls who spend one period each day in the nurses' office giving whatever services are needed. They keep the daily record of students requiring first aid, they run errands for the nurses, and they try to keep the outer office quiet while the nurse is giving hearing tests. They also have housekeeping duties. All are volunteers.

Library Assistants—**Row 1:** Shirley Sailors, Donna Whitlock, Joyce Buell, Arthur Morganelli. **Row 2:** Janet McArtor, Harriett Whitney, Joyce Pinger, Lynn Hetfield. **Row 3:** Marilyn Wood, Dorothy Eisner, Joan Wolf, Barbara Smock, Helene Gottschling, Sally Padgett (president), Janet Wojcik (vice-president), Pam Zesch, Herry Urban. **Row 4:** Richard Malm, Adell Cook, Margaret Ahern, Bob Helton, Roberta Peetz, Glenn DeGraff (secretary-treasurer), Vivian Brawner, Richard Lesnick, Laurie Goodwin, John Budzik

Library Staff

Library assistants help in the operation of the library, primarily at the circulation desk. They send out notices when books are overdue, check in returned books and put them back on the shelves in correct order.

Student staff members are associated with the South Suburban Student Librarians Association and the Illinois State Librarians Association.

Homemakers

Thornton Chapter of Illinois Future Homemakers of America is part of a national organization of pupils who study homemaking in their junior and senior years of high school.

Organization of the club with state and national affiliations was among the projects completed this year. All of the teachers of the department are advisers; thirty-four girls have joined.

Future Homemakers—Betty Dorner, secretary; Erana Weiss, vice-president; Carol Mosser, treasurer; Barbara Miller, president.

Latin Council—**Row 1:** Ursula Olling, Harold Mitchell, Yvonne Hawkins, Dan Lester, Dave Cordes. **Row 2:** Wendella Muldowney, Irving Roberts, Janet Propper, Patricia Hoest.

Latin Council

Latin Council, which represented the entire membership of the nine Latin classes, met once a month during a regular class period. Skits and games, prepared and conducted by students for this meeting, helped further an interest in Latin. Latin students printed the third annual edition of the "Latin Cronicle" to acquaint students with life in ancient times. The Trojan Horse, Latin Council's entry in the Homecoming parade, won first prize in the novelty division. Students had fun learning about Latin. Sponsors were Miss Henderson and Mrs. Mayfield.

Le Circle Francais

Parlez-vous francais? If you heard this question while walking by an open door, you must have passed by a French class. You back up and look in. To your surprise, a puppet show is being presented by the class.

Skits and many exciting games are other activities planned by French Council to give students an opportunity to use French in fun and fancy.

The French National Contest for merit is given annually to those students who have maintained a good grade average through the year.

Die Deutsche Ecke

"All work and no play makes Jack a dull boy." German Council makes sure that all is not work by providing interesting activities to make learning to speak German a lively endeavor for the two hundred and ten students enrolled in German classes at Thornton.

The thirty-two members of German Council strive to encourage use of the German language in all of their activities, giving German students an opportunity to learn by doing. Students not only learn to speak the German language, but acquire something of the culture of the people.

classes in planning all group activities.

Spanish Council

Spanish Clubs, bigger and better than ever, have approximately three hundred and sixty members, including the faculty advisers, Mrs. Rothrock, Mr. Silva, Mr. Avery, Miss Stabenow. Meetings were classroom celebrations of holiday fun in Mexico: All Saints Day, Pinata Parties, Three Kings Day, and Christmas. There were games of colorful and interesting origin.

In May all language clubs contributed their musical and dramatic talent to the gay Language Department Honors Day celebration which gave members a better look at Spain's old traditions.

Spanish Council—**Row 1:** Ted Thoren, Rita Hernandez, Bruce Peterson. **Row 2:** Chuck Edelhofer, Margaret Walker, Fran Bourland, Kathy Kleinz, Judy Couwenhoven, Joyce Pinger. **Row 3:** Richard Grippando, Dennis Loy, Mary Bailey, Arlene Shapiro, Jon Pavelin.

Job Training

Diversified Occupations provides on-the-job training in various occupations not covered by vocational classes. Students go to school half a day and work a minimum of fifteen hours per week. Besides receiving training in their respective fields, students are paid for their work. This year Diversified Occupations students held a joint meeting with students from Bloom, Blue Island, and Kankakee.

NHS Officers—**Row 1:** Pat Pachter, secretary. **Row 2:** Tom Hough, president; James Rice, vice-president; Margie Renstrom, treasurer.

Honor Society

National Honor Society officers represent the members who were selected as juniors.

The society is an organization of honor students chosen from the junior and senior classes at the end of each year, from a list of those in the upper twenty-four percent of their class.

Approximately ten percent are elected when they are juniors and not more than fifteen percent when they are seniors. Besides scholastic achievement, candidates must have good records of character, leadership, and service.

Bookstore Clerks

Bookstore clerks provide TTHS and JC students an opportunity to buy their school supplies, rental tickets, and gym equipment at school. They check registers and stock and deliver goods.

Bookstore clerks are always busy. Two semesters of rush are over but they are now preparing for summer school by ordering, pricing, and shelving the books early. They hope to have new and better quarters in the future. The bookstore expects to move to 103 and 104 during the summer.

Bookstore Clerks—Paul St. Aubin, Linda Starks, Margaret Oppelt (manager), Kathryn Rogers, Jerry Kleckner.

Biology Office

Seven hard-working Biology assistants spend one hour a day in the Biology workroom grading papers, recording grades, taking letters, typing, duplicating, and doing general secretarial work for Biology teachers. These assistants enable teachers to accomplish much more work than they would otherwise be able to. At the same time, workers are gaining valuable office training. Faculty adviser is Mr. D. B. O'Brien.

Thornton's band marched in six parades, played for all home football and basketball games, participated in district and state music contests, gave their own concert, and took a spring tour. To raise money, Band gave a dance in the fall and sold pompoms at Homecoming and boxed candy in February. Band Parents Association provided summer music camp scholarships.

Concert Orchestra

TTHS Orchestra, a popular music group, is directed by Miss Charlotte Chambers. This group is organized to train students for the study and appreciation of concert music.

Orchestra consisted of approximately forty members who met fifth period daily. They performed for the Scholarship Day program, Christmas concert, Optimist Forum, Spring Festival, and school assemblies.

This year Miss Chambers initiated a program of three alternating groups. The first, Freshman String Recruitments, was started this year. Next fall they will advance to Varsity Strings, and in the following year to Concert Strings. This set-up will give high school students progressive training in playing stringed instruments.

Showboat Seven, Thornton's own Dixieland band, has members from both band and orchestra. Boys play for entertainment at school dances, on outside jobs, and for their own enjoyment. Phil Hohmann is the leader of the organization.

Cadet Band

Cadet Band consists largely of freshman students interested in becoming members of the Varsity and Concert bands. They play for basketball games, march in parades, and take part in other band activities. This group is under the direction of Mr. Lyle A. Hopkins.

Thorntoneers

Thorntoneers, the TTHS dance band, is composed of student musicians. They play for Purple X dances and other school affairs.

The thirteen members are under the leadership of Ron Swenson, a junior. Dennie Sparger is this year's business manager.

Choral groups range from large

Senior Choir, Thornton's most advanced choral group, consists of upperclassmen who have had previous experience in another glee club or choir. Their singing is enjoyed by the school and community at the annual Christmas Concert, the Spring Music Festival, and the concert in March.

Mr. Walter Armbruster, director of the group, states that the choir has sung in an exchange program with both Morton and Bloom Township High Schools for the past two years as well as appearing at many local social functions.

The choir, which has ninety-five members, rehearses daily in room 146. For the little time they have to practice, they really produce something for Thorntonites to be proud of.

Keydets—Row 1: Gloria Broze, Barbara Hoffmeyer, Joyce Metcalfe, Era Wheeler, Joyce Pearson, Sue Karsten, Irene Melonas, Margo Jones. **Row 2:** Carol Reckner, Asenath Dixon, Barbara Van Dam, Marilyn Erdely, Carole Jackson, Charmaine Carlson, Gayle Hein, Cynthia Mathews, Marilyn Fentem, Judy True.

to small as needed.

Again, because of the large number of participants, Girls Glee Club had to be divided into two sections. This singing group is designed for those girls who have progressed from Freshman Girls Glee Club. Its purpose is to train for Girls Choir by giving special attention to voice production and rehearsal routine.

For the Christmas concert, girls wore white blouses with black skirts and red wool vests. Spring Festival was the occasion for pastel colored dresses. Under the direction of Miss Mary Thompson, Glee Club girls train for Girls Choir and Keydets. They have proved themselves successful in spite of limited rehearsal time.

Keydets, one of the most popular of singing groups at Thornton, play a big part in the social life of the school. They appear at Girls Club events, assemblies, Parent-Teacher Association meetings, Christmas Concert, Spring Festival, and many out-of-school events.

To sing more difficult music and to participate in musical programs is the general purpose of Keydets. A big project, as always, is entering the District Music Contest with the hope of going on to the State Contest.

Miss Thompson, director of Keydets, chooses these girls from the best of the singers in the Girls Choir, which she also directs.

Girls Choir—**Row 1:** Sue Karsten, Gaye Burke, Fran Sarna, Sharon Schwartzkopf, Kathleen Faoro, Mary Diekelman, Fern Johnson, Peggy Crisman. **Row 2:** Judy Doll, Sue Murphy, Virginia Lester, Beverly Pankey, Joyce Pearson, Diane St. Pierre, Cynthia Mathews, Pamela Mann, Marilyn Rush, Susan Markee. **Row 3:** Linda Boyens, Elizabeth Genovese, Asenath Dixon, Linda MacKay, Judy Lewis, Sharon Scholz, Carol Stephenson, Gayle Hein, Judy True, Judy Kaminski. **Row 4:** Glenda Schowalter, Sandra Roupe, Darla Edwards, Joyce Pinger, Paulette Schmiedl, Joan Pavelin, Linda Sutton, Patricia Altier, Adrien Morris, Karen Westfall, Wilma Sudkamp, Barbara Van Dam, **Row 5:** Mary Lou Webb, Irene Melonas, Carol Schmidtke, Era Wheeler, Dolores Grinstead, Eileen Karlson, June Wagner, Therese Labno, Laurie Flickner, Joyce Metcalfe, Joan Wognum. **Row 6:** Marilyn Fentem, Carol Reckner, Vicki Vaneck, Karen Curtis, Sandy Nelson, Gloria Broze, Margo Jones, Nancy Fraser, Sandy Shackleton, Sharon Hampton, Sandra Toigo, Barbara Berner. **Row 7:** Carol Mosser, Carol Hall, Marilyn Erdely, Jeanette Voegerl, Marlene Postma, Valerie Henrich, Helen Harper, Charmaine Carlson, Sandra Street, Carole Jackson, Barbara Scholl.

Thirty-five freshman and sophomore boys make up the Boys Glee Club. Under the direction of Mr. W. S. Armbruster, these boys appear at the annual Christmas Concert and Spring Festival.

Purpose of this organization is to train for the Mixed Choir or Madrigal Singers and to promote fellowship as well as enjoyment of good singing.

Another well-known singing group at Thornton is Girls Choir. Activities of this group are many and varied and, as in all music organizations, a friendly spirit and a feeling of accomplishment are achieved.

Most Choir members have had previous singing experience. They are directed by Miss Thompson.

Group sizes show student interest.

Boys Glee Club—**Row 1:** Bill LeValley, James Belt, Roger Sutton, George Prater, Lee Rader, Nicholas Beller, Robert Turek, Albert Ohlsen, Glenn Weaver. **Row 2:** Bruce Gephart, Todd Downing, Robert Cantwell, Robert Oehmke, Edward Miller, Tom Renner, Robert Dahl, Craig Maxwell, Mel Cowser, Tom Oestmann, Larry Shipper. **Row 3:** Glenn Beardsley, Donald Sweeney, Bob Fisher, Robert Edwards, Earl Lintner, Bill Dorner, Mike Waldron, Russell Bukwa, John Pease, Donald Osberg, Edwin DeVries.

Madrigal Singers—Donna Kaur, John Arnold, Judy Harris, Fred Stuart, Gwendolyn Sanders, Patti Wilson, Jack Swan, Richard Davidson, Larry Gattis, Carole Francis, Beth Belmore, Dennis Marshall, Adele Herdt.

"Here we come a-carolling," is a familiar sound to all Thorntonites. It's the first line of the Madrigals' song as they make their annual appearance at the Christmas concert. The old English scene they present, complete with costumes, lanterns, and snow, really takes one back to Christmas as it used to be in Merrie England.

One of Thornton's busiest singing groups, the Madrigals are called on to appear at school assemblies, meetings of community organizations, and finally at the TTHS Commencement exercises in June.

"Madrigal Singers are chosen from the best of the Mixed Choir," states Mr. Walter Armbruster, director of the group, "and the purpose of the organization is to provide incentive for the more talented singers here at Thornton."

Ah, sweet music!

Freshman Girls Glee Club—**Row 1:** Donna Watson, Sue Schneiter, Sandra Haslet, Barbara Arredondo, Marion Mathews, Sallie Doyle, Nancy Garrison, Betty Ross. **Row 2:** Jerri Scholz, Carolyn Moody, Isla Rothenhoefer, Sheila Divekey, Connie Wisniewski, Pat Jachim, Sharon Kroll, Linda Eidson, Judith Chesser. **Row 3:** Linda LoBue, Terry Rutherford, Ursula Olling, Beverly Ribando, Carolyn Lanham, Barbara Taylor, Joan Licina, Carolyn Wheeler, Lavonne Hartter, Donna Boulden. **Row 4:** Beverly Corcoran, Judy Peerbolte, Roberta Stroh, Donna Voss, Beverly George, Rosemary Philpot, Elaine Kolenda, Carol Maczka, Pamela Tomkins, Marjorie Jacobs. **Row 5:** Margo Hopman, Dolores Boone, Nancy Jack, Lynn Lyon, Candy Thornton, Evelyn George, Gail Olson, Karon Burk, Janice Podulka, Ruth Farmer, Pat Hedlund, Sylvia Wheatley.

Sophomore Choir, a comparatively new singing group at Thornton, consists of fifty members directed by Mr. Armbruster. These singers made their debut at the annual Christmas concert and their next appearance at the Spring Festival. The choir came into being when the Mixed Chorus became too large to give adequate training and over-crowded schedules kept some voices out.

Freshman girls are usually placed in the Freshman Girls Glee Club for fundamental training in voice production and part-singing. They progress to a more advanced group when this training has been completed. Girls wear white smocks and black skirts for their performance at the Christmas and Spring concerts. Miss Thompson is director.

Sophomore Chorus—**Row 1:** Judy Lattz, Diane Carlton, Linda Sorensen, Joyce Buell, Judy Couwenhoven. **Row 2:** Betty Jankowski, Janet Stump, Carolyn Sallay, Edith Krauter, Janet McArtor. **Row 3:** Judy Niemann, Jean Seiner, Barbara Powell, Kathryn Rogers, Connie Miller. **Row 4:** Douglas Blair, Marvin Keeling, Chuck Porter, John Coutchie, Albert Verley. **Row 5:** Joel Newton, Albert Gouwens, John Van Kley, Don Hinrichs, Clark Hallmann, Jerry Jerome. **Row 6:** Dennis Gray, Gary Lundmark, Robert Hock, Lew Barnhisel, Bernard Arendt, Doug Liehr, Don Koster. **Row 7:** Steven Wentz, Allen Dehnert, Richard Simac, Terry Downing, Don Richardson, Dick VanderHout, Gail Fulmer, Chuck Edelhofer.

it's PEOPLE

Dr. James D. Logsdon, Superintendent,
Thornton Township High School

Superintendent emphasizes public relations.

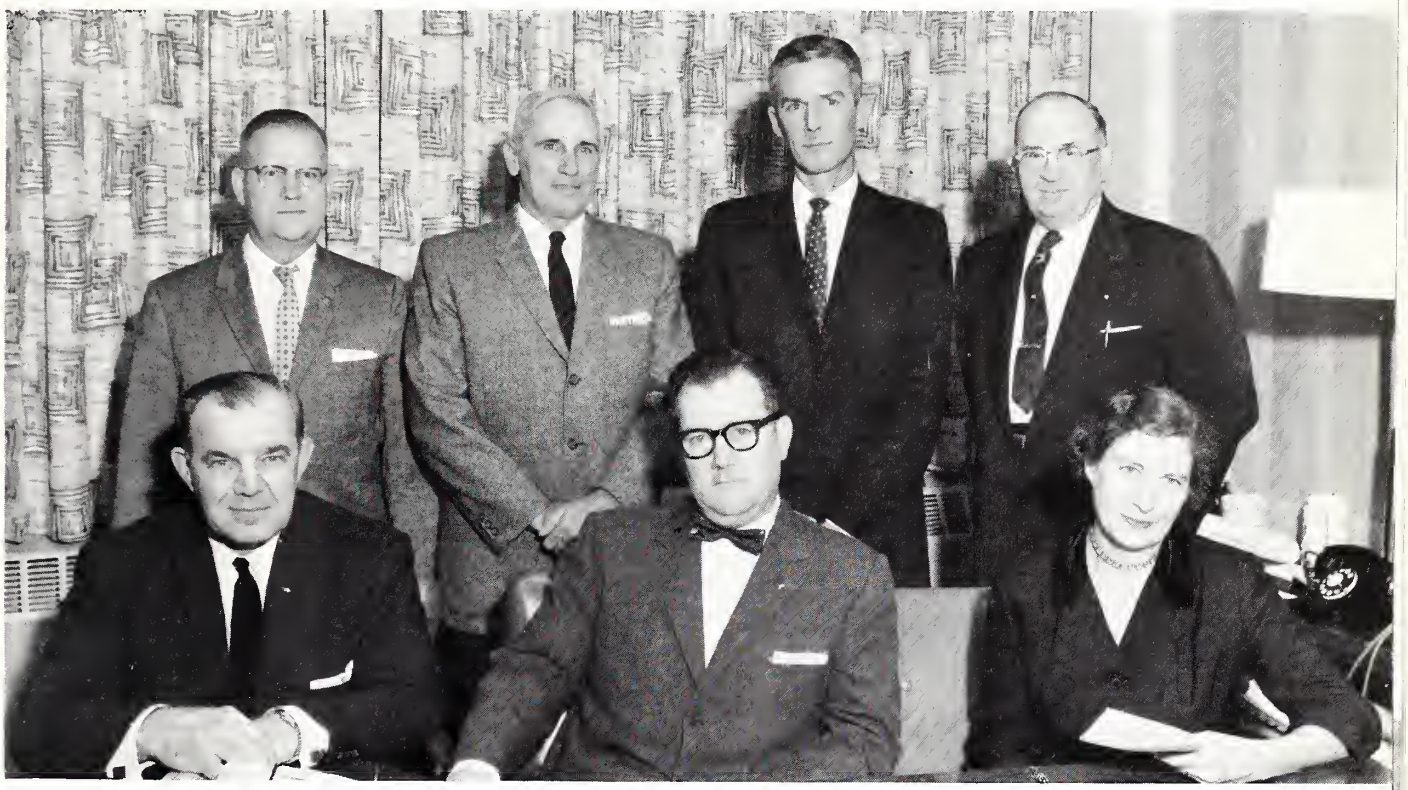

Dr. James D. Logsdon, Thornton's superintendent, believes in taking an active part in school and community affairs.

Nationally he has a working interest in organizations for school betterment. Last winter he was elected second vice-president of the National Association of Secondary School Principals. In April he was a speaker at the annual meeting of the North Central Association of Colleges and Secondary Schools.

At TTHS last year he set up the Superintendent's Advisory Committee, with faculty representatives from each department, to help him plan and initiate school policies.

Besides working with the student council on many of its projects and organizing a staff for the new school in Dolton, Dr. Logsdon has found time to speak to service and PTA groups.

Board of Education has big plans.

Board of Education—**Seated:** Mr. Fred T. Ehlert (president), Mr. William B. Kane, (resigned), Mrs. Robert C. Pebworth. **Standing:** Mr. Herbert G. Greiner, Mr. Henry Vandenberg, Mr. Harold J. Gouwens, Mr. Robert H. Reese. **Not pictured**—Mr. Lou Boudreau, filling out Mr. Kane's term.

Board of Education members have been having many headaches. To Thorntonites the new wing has meant a nice new building in which to have classes. To board members the new addition, the Industrial Arts building, and the new school in Dolton have added new problems to old: settling of boundary lines, questions of athletic programs, and disputes over which students go where.

Besides monthly meetings during the year, there have been special meetings called to discuss phases of the building projects.

A salary advisory committee to study the salaries of Thornton employees was appointed last fall. The committee consists of two members of the faculty, two members of the Board of Education, and five citizens of the community.

Mr. James L. Beck, Assistant to the Superintendent

Assistant Superintendent ready to help.

Mr. James L. Beck, a very familiar figure to the pupils at Thornton Township High School and Junior College, is now acting as Assistant to the Superintendent. The duties he performs are many, almost too numerous to mention.

One of Mr. Beck's responsibilities includes conferences with the new members of the teaching staff. This is a big job when you think of all the new teachers that are hired every year.

Mr. Beck must work late into the night and his phone bill must be quite high, because he also has charge of hiring all of the substitute teachers. The average person doesn't realize what a time consuming job this is.

Although he no longer holds that office, most people think of him as Dean Beck of Thornton JC.

Business Manager

The office of Thornton's business manager, Mr. John A. Peterson, takes care of many of the business activities of the high school and junior college, such as the bookkeeping for all student organizations as well as for all departments of the high school and junior college.

Mr. Peterson is purchasing agent for the high school and college, manager of the school bookstore, and secretary of the Board of Education.

Also handled through the office of the business manager are student identification cards and school bus transportation.

Mr. John A. Peterson,
Business Manager

School Counsel

In a large township, it is necessary to have officials such as an attorney and a treasurer.

Mr. Evans, school attorney, has had an extra busy year. Many school contracts have come up because of the extensive building program. There have also been many settlements to make with the Homewood-Flossmoor Division of Assets.

Township treasurer, Mr. Waldschmidt, is in charge of money of all schools in Thornton Township, elementary as well as high schools. He receives all funds, but cannot pay them out until he is authorized to do so by the school.

Mr. Burton Evans, School Attorney, Mr. A. F. Waldschmidt, Township Treasurer.

Mr. John E. Tilton, Senior Class Principal, B.S., M.A., Mathematics. Key Club, NHS

Senior Principal

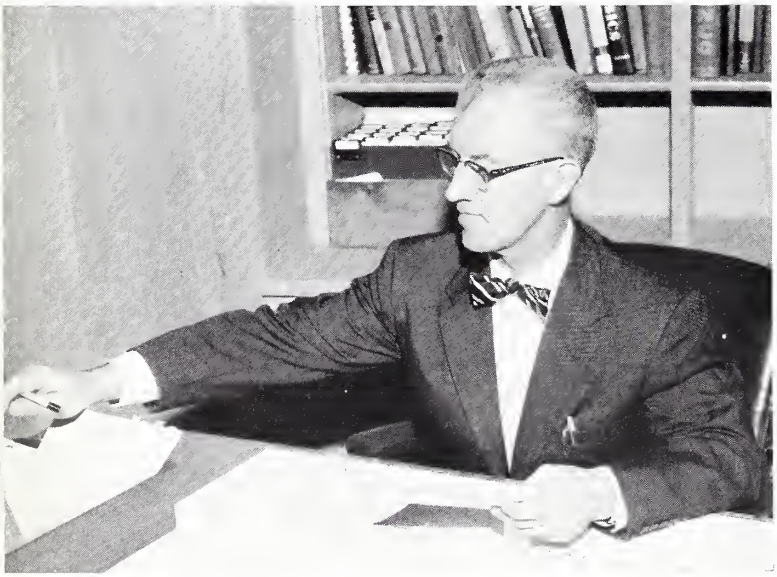

What percentage of a given freshman class will make it to be seniors and how many of those will graduate?

The senior class principal, having started with his class when they were sophomores, is now pretty well versed on what to expect. The present class numbered 906 freshmen, began their senior year with 751, and will probably number 715 actually graduating.

Juniors

Juniors enter a crucial year. For them it is the point of no return. Decisions on courses must be final and credits must be checked carefully so that deficiencies can be corrected while there is still time. Failures mean summer school or, even worse, delayed graduation.

Mr. Carl L. Beier, Junior Class Principal, B.Ed., M.S., Physics.

Sophomores

Sophomores still have time to change their minds on courses to pursue. There is more variety than in the first year but electives and prescribed courses must balance. Summer courses offer a chance for good students to get ahead or for poor ones to make up failures.

Mr. Guy Phillips, Sophomore Class Principal, B.A., M.A., Mathematics.

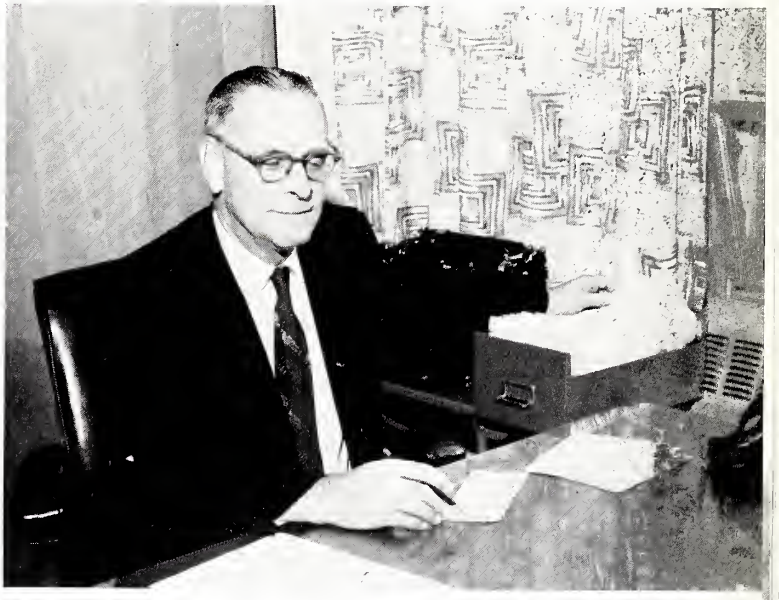

Patti Wilson—Catalogs and more catalogs!

What college?

What is the best college for me? Do I have enough credits? What are my chances for admission?

These questions are uppermost in the minds of juniors and seniors enrolled in the academic course. The sooner a choice is made, the easier it is to meet requirements of a given school. Counselors from midwest schools visit periodically or help on college night to guide students.

Mr. G. R. Valbert, M.S., Freshman Class Principal.

Freshmen

The freshman class principal is the same for each incoming class, although the others rotate, starting with their classes as sophomores and staying with them until graduation.

Contact with grade schools of the district, organized under separate boards of education, makes coordination easier.

Getting each new class of freshmen off on the right foot is an important part of the job.

Class principals offer student guidance.

Deans, faculty, parents help THS.

Dean of Boys

Mr. Arnold Koester, former dean of men at Thornton Junior College, and now finishing his second year as dean of boys of the high school, has been a very active person.

Mr. Koester's most important duty, of course, is to the boys of the school, and the supervision of the Boys Club. His duties also include being sponsor of the Hall Guards and of the Cafeteria Monitors.

One would think that after counseling boys and listening to their problems all day, he would be too tired to take on any more duties, yet he does find time to teach psychology in night school.

Mr. Arnold F. Koester, M.A., Psychology and German. Dean of Boys, Director of Special Education.

Dean of Girls

Miss Helene E. Wilson, dean of girls, has been at Thornton for twenty-six years. This year, since she does not have any classes to teach, she is able to devote all of her time to the welfare of Thornton girls.

The dean of girls is sponsor of the Girls Club and its many social and welfare projects. All through the year she works with the officers of the club in planning the year's program.

She also plays an important part in the guidance of Thornton girls. She talks to girls individually on their personal and academic problems, and is never too busy to give helpful advice.

Miss Helene E. Wilson, B.A., M.A., Dean of Girls, Sponsor of Girls Club, Purple X Committee.

Faculty Association—**Seated:** Miss Sarah Barmore, vice-president; Mr. Henry Harms, president; Miss Edith Sowers, secretary; Miss Florence Wunderlich, board. **Standing:** Mr. Paul Liehr, Mr. Harold Fuller, board; Mr. Clifton Satterthwaite, treasurer.

Faculty Ass'n

Plans for the future when there are two schools instead of one have occupied much of the discussion at Faculty Administration board meetings lately.

The association, representing ninety percent of the faculty, is affiliated with state and national education associations. It operates a rapidly growing credit union and takes a very active part in school affairs and faculty welfare.

Parent-Teacher Ass'n

When there is a building program in progress, a referendum or election to be put over, a change of policy to be publicized, the Parent-Teacher Association is ready to help. Through its board, the association has representatives in all the communities that make up the school district.

PTA scholarship and welfare funds benefit students directly. Monthly meetings keep the general membership informed of TTHS affairs.

PTA Officers—Mrs. Roy Carmichael, historian; Miss Ruth Brown, financial secretary; Mrs. Elisabeth Wood, secretary; Mrs. Gerben Wagner, 2nd vice-president; Mrs. Hubert Blackstone, president; Mrs. Chris Schroeder, 1st vice-president; Mrs. Ronald C. Wolf, treasurer; Dr. J. D. Logsdon, superintendent.

Maintenance Staff

Would you ever think that 3200 gallons of oil are used each twenty-four hours when the weather is below freezing? The maintenance department sees to it that every room is comfortable. The day shift's duties include repairing broken desks, chairs, cleaning the cafeteria, and doing repair work of all kinds. Evening shift works at cleaning of all the rooms every evening after school and taking care of special events.

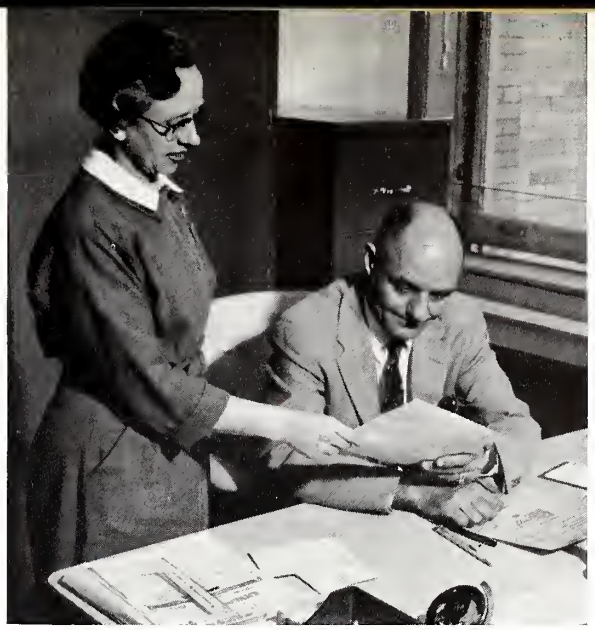

School Laundry

Three women of the staff operate the big capacity washers and dryers in the school laundry. Approximately 4700 towels, 180 tank suits, plus miscellaneous athletic equipment, bedding from the nurses' office and mops used in cleaning go through the process daily.

Three matrons are on duty all day to clean the offices and girls washrooms. Boys washrooms and other cleaning are done by the men at night.

Building Superintendent

"Mrs. Williams, have all the supplies arrived yet? Are there any more bewildered freshmen who can't get their lockers open?" These are some of the questions you might overhear Mr. Howard Doster, building superintendent, asking his secretary, Mrs. Irene Williams. Purchasing of supplies, cleaning of the school both inside and out are just some of the duties of his staff. His main job now is supervision of the new school building.

Building Superintendent—Mrs. Irene Williams, secretary; Mr. Howard Doster, superintendent of buildings and grounds.

Cafeteria Staff

What would Thorntonites do without the cafeteria staff? Believe it or not, this group of fifteen women and thirty-six students serve over 1500 lunches per day. Record day for this crew was January 30, when they served 1849 lunches.

How much food is consumed by Thorntonites each day? According to Miss Florence Waterman, cafeteria director, the staff sells 715 sandwiches using 55 loaves of bread, 100 pounds of potatoes, 90 pounds of frankfurters, 900 barbecues with buns, 57 pies, and 3200 cartons of milk or 266 gallons. That's quite a meal for any family.

Besides preparing the usual lunches, these women are responsible for the many banquets.

Junior Honors

Juniors come in for their share of honors at Commencement time. From the upper twenty-five percent of the class, approximately five percent are chosen, on the basis of scholarship and service, for membership in National Honor Society. Graduation Ushers are the top twenty-five students scholastically. The two top-ranking girls act as guides in the processional and assist the president of the Board in giving out diplomas.

Senior Privileges

Senior members of National Honor Society are announced at Honors Day, too. Because parents are secretly notified ahead of time, seniors try to pick them out of the audience at Honors assembly for clues to who will be named. Approximately ten percent of the graduates, besides those selected as juniors, receive the honor. Selection is based first on scholarship but in addition, on leadership, character, and service, so the honor is a much coveted one.

At a tea following the assembly, parents and newly-elected members are guests of members chosen the year before.

Senior Class officers are selected by popular election and serve all year long as assistants to the class principal in conducting class business. Planning and executing the prom, with assistance from the juniors, is a principal duty.

Senior Class Officers—**Row 1:** Louie Hanacek, president; Ellen Mayfield, secretary; Bonnie Winslow, treasurer. **Row 2:** Chuck Wentzel, 1st vice-president; Pete Melonas, 2nd vice-president; Carolyn Turngren, assistant secretary; Tom Knowles, assistant treasurer.

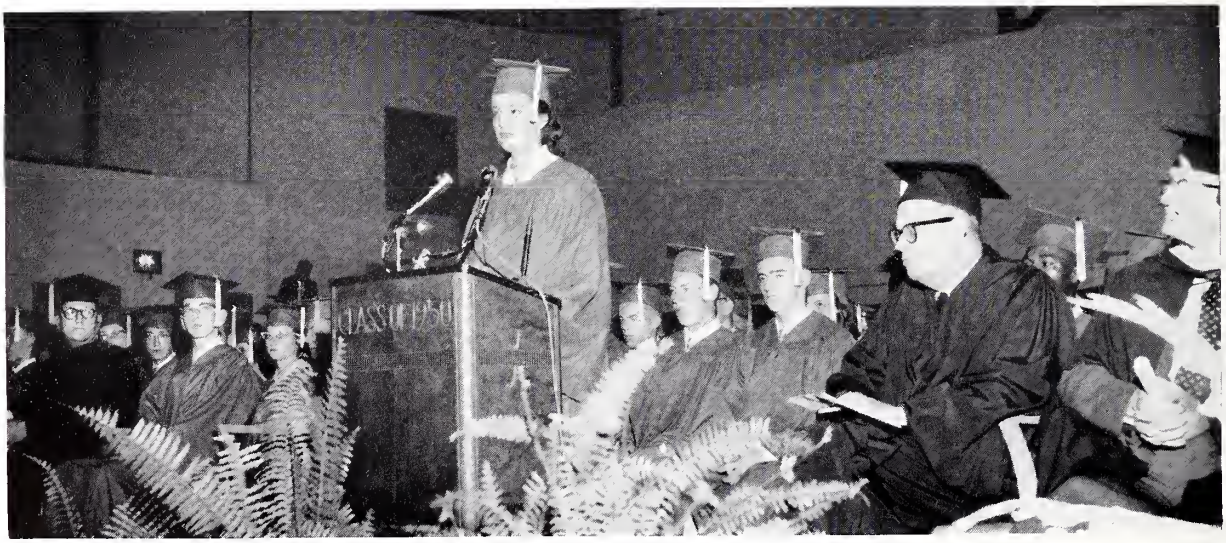

Flag Day ceremonies moved to a new location, between the buildings and the parking lot. It was a bit muddy, but Thorntonites didn't mind.

Year-end ceremonies are traditional.

Joyce Robinson, student speaker, shared honors at Commencement with Ron Lewis, second from left, front row, as Mr. Kane, board president, looked on.

Flag Day and Honors Day are traditional ceremonies at Thornton as accompaniments to the usual Commencement. One tradition had to be modified last year since the flag pole was moved to the south side of the buildings to make way for the new wing. But the program was the same and Thorntonites felt at home.

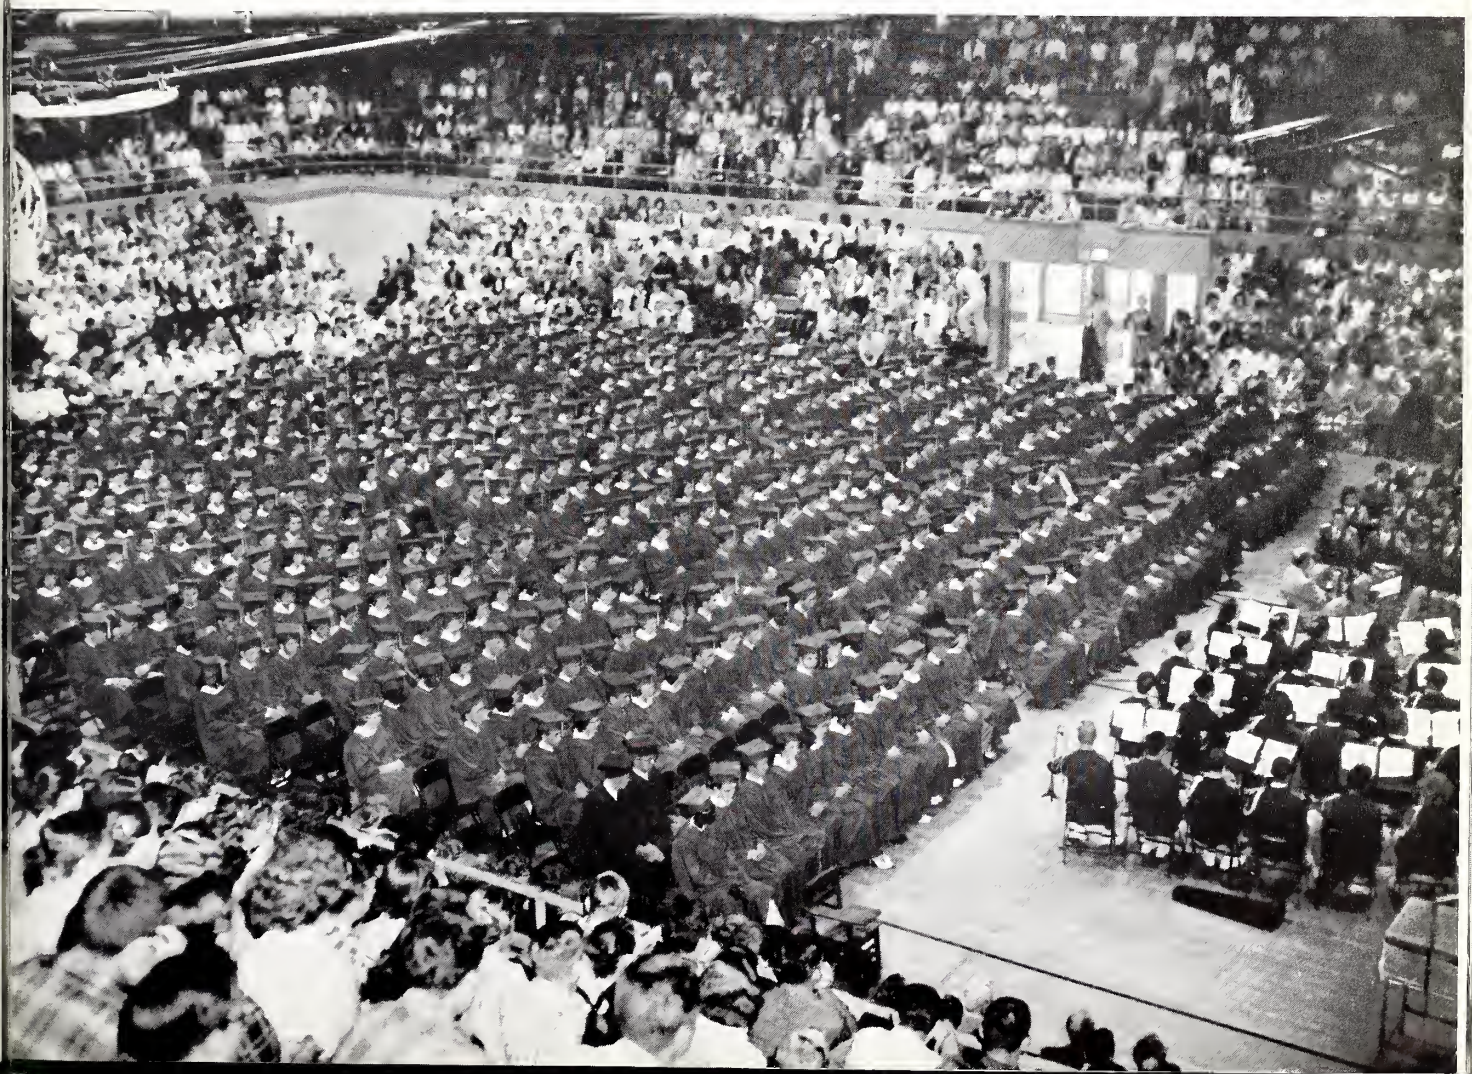

Honors Day found Seniors filling the seats on the main floor and the rest of the student body occupying places on bleachers and in the balcony, just as at other all-school assemblies. Many an honor was reviewed, but the highlight came with announcement of new membership in National Honor Society.

For Commencement, Seniors were seated on stage to give additional space for parents and friends. 1958 ceremonies featured two graduates, Ronald Lewis and Joyce Robinson, as speakers instead of the usual adult speaker. The recessional ended in the auditorium, where seniors tossed their gowns on the heap and left, both happy and sad.

Barbara Buck and Marion Blackstone put their gowns on top of the pile after graduation.

Seniors of 1958, from a freshman's-eye-view, was a whopping big class. But theirs would be bigger.

PURPLE X

Purple X Dances

Listen, my children, and you shall hear
Of a world-shaking day in a far-away year,
'Twas in nineteen hundred and thirty-seven
When the thought of going straight to heaven
Right after the basketball games and such
Seemed to please Thornton students much.
For as soon as the final whistle blew
And they wanted something else to do,
They'd dash to the street, and with absolute scorn,
(Ignoring each motorist's shrill-blasting horn)
Would snake-dance through town, all hands clasped tight,
And often continue far into the night.
However, their imminent heav'n-ward ascension
Was luckily stopped by the quick intervention
Of the deans and the students and P.T.A. too,
Who met to decide just what Thornton should do.
And out of these meetings came Thornton's big chance—
The idea of having a Purple X Dance.
Though twenty-two years have gone by since that day,
Purple X is still here and, we hope, here to stay,
And bringing the Purple X history in time
We wish the best fortune to Class '59.
